What to do in case of snow or other inclement weather

Special radio announcements in the name of Villa Julie College will be made when the College is to be closed, or classes are to be late because of snow or other inclement weather. On such days students are urged to tune in early in the morning to WBAL or other local radio stations for announcements. Closing and delay information is also available by calling our pre-recorded inclement weather hotline at 410.486.SNOW (7669).

Morning classes. Sometimes, when weather conditions are bad but not severe enough to warrant closing the College, the first one or two hours may be canceled. But, to be sure, all students are urged to listen to early morning radio announcements.

Afternoon classes. When necessary, because of changing weather conditions, special radio announcements concerning afternoon classes will be made later in the morning in the name of Villa Julie College.

Evening classes. Special radio announcements for Villa Julie will be made after 4:00 p.m. if evening classes are canceled. Otherwise, classes as usual. Listen to the radio stations and be guided accordingly, so the College switchboard will not be flooded. Your cooperation will be appreciated.

WELCOME FROM THE STUDENT GOVERNMENT ASSOCIATION

Dear Fellow Students,

Hello and welcome. Life at Villa Julie College is filled with many challenges and memorable experiences. The challenges ahead may sometimes seem difficult, but with the help of fellow students, faculty, and administrators, even the seemingly impossible can be within reach.

There is much to be gained from college in addition to an academic education. College should indeed be more than just work. Involvement in extracurricular activities makes college life a much more fulfilling experience.

To the adult returning and part-time students who will be joining us on campus this year, we extend a special word of welcome. We look forward to our association with you. We can profit from your experience and will value your input in all phases of campus life. (As a matter of fact, officers of the Student Government Association often include interested adult students.) So, if you're new on campus we hope that you will participate freely, as your time and schedule will permit.

We, of the Student Government Association, are here to serve to serve all, but it is only with total involvement that our activities can be successful. Together we can make it happen.

Good Luck!

The Student Government Association

ETHICS CODE

Villa Julie College is committed to academic excellence and to the belief that the attainment of academic success depends on each student's commitment to ethical behavior. This is attained only if each student understands the value of and demonstrates personal integrity, academic honesty, and ethical behavior. Therefore, acts of cheating, dishonesty, and other unethical behavior cannot and shall not be tolerated.

I. Academic Ethics

All students are expected to adhere to ethical principles in all of their academic endeavors in class, in research, and in the presentations of their class assignments, tests and term papers.

Unethical acts include, but are not limited to, the following:

A. On quizzes, tests, or other types of examinations done within or outside the classroom:

1. Copying from another's work or from unauthorized materials or aids, such as "crib sheets," or aiding such copying;
2. Obtaining, giving, receiving, possessing, or using without authorization information about the contents of such tests.

B. On assignments to be done within or outside the classroom:

1. Copying, sharing, giving, or receiving assistance on a report, project, or other work, written or otherwise, in whole or in part, except as expressly permitted by the instructor;
2. Plagiarizing, that is, using the published or unpublished words or ideas of another, as a direct quote or a paraphrase, without properly citing the material used and its source;
3. Presenting another person's work as your own.

C. For any type of academic task, using or attempting to use offers of material or other favors or rewards or other types of bribes in order to influence a grade or other type of evaluation.

It is the hope of Villa Julie College that the negative acts listed above will clarify for the student the expectations for honest and ethical academic behavior, and that each student will maintain integrity and honesty through self-monitoring procedures. However, should the standards of the College be violated, students will be liable to at least the sanctions set forth below. Instructors may employ other sanctions consistent with College policy including, but not limited to, a lowered or failing grade for the assignment or for the course.

II. Procedures and Sanctions - Violation of Academic Ethics

A. Whenever a faculty member has reason to believe that a student has violated any of the principles or intent of this code, the faculty member shall confer with the student to discuss the apparent evidence for the alleged academic ethics violation, to counsel the student on the significance of academic honesty and to communicate the penalties which may be assessed. If the incident is not resolved to the satisfaction of both the student and the faculty member, the latter shall make an oral report to the Dean of the College, who will take such action as appropriate.

B. Whenever a faculty member or the Dean of the College has reason to believe that a student has committed a second infraction, the Dean will notify the student orally that a third infraction will involve the procedures in C below The Dean will keep a record of this notification. This record shall remain confidential and not become part of the student's academic file.

C. Whenever a faculty member or the Dean of the College has reason to believe that a student has committed a third infraction, the Dean and faculty members involved shall submit a written report to the President of the College, who shall designate five members of the College Hearing Committee, who will meet with the accused, determine the validity of the accusation, and if appropriate, impose any of the sanctions as described in the section "Redress of Student Grievances and Disciplinary Procedures" of the Villa Julie College Student Handbook.

D. After the student leaves the College, any report or material required by paragraphs B or C above, pertaining to any of the above matters shall be destroyed, except that any notification that the student is ineligible for readmission to the College shall be maintained in the student's academic file.

III. Other Ethical Violations

Other ethical violations by a student which could subject the student to disciplinary sanctions include, but are not limited to, the following:

A. Lying or knowingly furnishing false information, documents or instruments of identification with the intent to defraud the College;

B. Forging, altering, or misusing any College document, record, or instrument of identification;

C. Physically abusing or verbally abusing any person on College premises or at College sponsored or supervised functions or threats or intimidation of such harm or endangering the health and safety of others. Harassment, including abusive or

threatening language either verbal, in person or through the telephone, or written through the use of the computer, or any other written form;

D. Damaging, abusing, stealing, or misappropriating property, physical or electronic, or attempting to do so;

E. Violating the computer policy set forth in this Handbook, listed under College Policies;

F. Using, possessing, and/or distributing firearms, weapons, or fireworks on campus or at a College sponsored or supervised activity;

G. Failing to obey the directives of the Hearing Board or its sanctions or instituting a grievance hearing knowingly, without cause.

IV. Procedures and Sanctions - Other Ethical Violations

A. Any member of the College community who has reason to believe that a student has violated any of the principles or intent of the code, shall, as soon as possible after the event takes place, make an oral report to the Dean of Students.The Dean of Students shall take such action as appropriate, including, but not limited to, informally resolving the problem with the student or imposing appropriate sanctions. In any event, the student will also be notified that the second infraction will involve the procedures set forth below. The Dean of Students will keep a record of this notification which shall remain confidential and not become part of the student's academic file. After the student leaves the College, any report or material required by this section shall be destroyed, except that any notification that the student is ineligible for readmission to the College shall be maintained in the student's academic file.

B. If the incident is not resolved to the satisfaction of both the student and the Dean of Students, either party shall make a request for a hearing by the College Hearing Board by following the procedures set forth below.

C. These procedures do not apply to a student whose conduct or presence on campus is dangerous to himself or other persons or who continually threatens to disrupt the educational process or College operation. The College reserves the right and duty to impose sanctions against a student for on- and off-campus activities which pose a threat to the College community. In such event, the President or Dean of the College may impose such sanctions as are necessary for the protection of the College community including immediate suspension or dismissal of the student.

THE VILLA JULIE SEAL

The motto of Villa Julie College is *pro discendo pro vivendo,* or "for learning and for living." The Latin phrase was fashioned by a Villa Julie professor, to denote the mission of Villa Julie College.

Beneath the motto is the ancient symbol of the pursuit of knowledge, the *lamp of learning,* whose flame of intellect and love is never extinguished.

Encircling the lamp are *an oak branch* which represents the Great Oaks on campus and the "Seven Oaks" for which the original Villa Julie property was named; and *a laurel wreath* which signifies victory and excellence.

Above the words Villa Julie College there is purposely no border, to symbolize the perpetual openness to truth for which Villa Julie College has been known from its founding in 1947.

Events

Welcome Picnic
September. Campus-wide celebration of a new academic year. Join a club and enjoy the outdoor cookout and music. Held during the free period and then again in the evening.

Student Art Shows
September and May. Villa Julie students' works are displayed in the Art Wing Gallery and the Exchange, featuring design, color, drawing, painting and printmaking. An opening reception celebrates their achievements.

Bonfire
October. While the bonfire crackles and warms the toes, students, faculty, staff, and guests gather together on a crisp fall night. A disc jockey provides music. Roasted marshmallows complement the mood!

Fall and Spring Plays
November and April. If drama or comedy is your thing, each year a favorite play is presented by V.J. students and guest performers.

Flag Football
November. Classes compete in the Annual Turkey Bowl. The winners receive a trophy which is placed in the College trophy case to mark their place in V.J. history.

Holiday Party
December. A celebration of the holidays, complete with decorations, delicious nibbles, music and good cheer! All are invited during the free period and again that evening.

Leadership Retreat
January. Held off campus, three days of sessions, brainstorming, and relaxation. Open to all campus organization officers and anyone seriously interested in leadership development.

Fashion Show
February. What's the latest fashion rage? Come to a show extraordinaire-not the usual runway show! Music, rhythm and style. The Black Student Union and Student Government Association cosponsor this annual event.

Health Fair
March. Health issues can be fun! Get a free massage, have your blood pressure checked, snack on some free healthy foods. Sponsored by the "Club Med," the annual Health Fair is sure to ward off those winter blues. Many area businesses, health centers and educational institutions are represented.

Activities Awards Dinner
April. A popular, spring happening. Students active in extracurricular activities are honored at a buffet dinner, complete with certificates, flowers and balloons. Guests are invited.

Cooperative Education Recognition Awards Reception
April. An annual event held to recognize and honor the outstanding students who have participated in the co-op program.

Spring Formal
May. Students, faculty, and guests dine and dance for an evening at a popular hotel ballroom. A special event for all!

May Day
May. Marks the beginning of Senior Festivities. A salute to the graduates with outdoor events, a cookout, and live entertainment. Held during the day and cookout held again in the evening.

Athletic Awards Banquet
May. An evening to honor our athletes for their athletic and academic achievements throughout the year. The student athletes, their parents, faculty, and staff enjoy an evening of fine dining while recognizing graduating seniors and celebrating their successes.

STUDENT SERVICES

The purpose of Student Services is to enhance the student's life at Villa Julie through a variety of services geared to personal, social, and academic needs. Student services are available to full- and part-time students at Villa Julie College. Evening students are asked to contact the Director of Evening Services to arrange access to any service not available during evening hours.

Career Services

The Office of Career Services offers an individualized, comprehsive program of career counseling, career preparation, and employment search assistance for all students. Each freshman takes a seminar presented by a Career Services specialist that covers skills development, the four year "Plan For Success," and ways Career Services can help students during their Villa Julie College experience. The "Plan For Success" assists students in defining their career objectives and developing a realistic plan to achieve their goals using a wide variety of resources.

As students progress in their education at Villa Julie, Career Services provides personalized help in developing the skills, poise, and confidence needed in the working world. From resume writing and videotaped practice interviews for employment and graduate school interviews, to career assessment tools and a wide selection of career-oriented seminars and seminar tapes, expert advice and individualized attention help students take advantage of their talents and strengthen their presentation skills.

Students learn of part-time and summer positions as well as full-time openings through the Employer Job Bank postings found on all campus computers and in the Job Postings books in the Career Services office and the Library or at the College Job Fair of Central Maryland that Career Services co-sponsors annually. Additionally, the office organizes On-Campus Recruiting where employers come on campus throughout the academic year to interview Villa Julie College students for career positions with their firms/companies/organizations, and co-sponsor the Graduate School Fair and the Education Job Fair.

College Store

The College Store is located on the entrance level of the Student Union. Students may obtain textbooks, school supplies, Villa Julie imprinted clothing and other items. The College Store is open daily, Monday through Thursday from 8:30 a.m. to 7:30 p.m., Friday from 8:30 a.m. to 4:30 p.m. and Saturday from 8:30 a.m. to 12:30 p.m. Additional hours will be available in accordance with yearly events.

Counseling Services
The Counseling Services Office provides assistance to students with their personal and academic concerns. The office is staffed by a trained counselor who maintains professional confidentiality as standard ethical procedure. Special topic workshops are offered that focus on such areas as: test anxiety, college stress, bereavement, study techniques, decision making, health issues, and time management.

Dining Services
On-campus dining needs can be fulfilled at the Mustang Corral on the second level of the Student Union, with continuous dining from 7:30 a.m. - 7:30 p.m., Monday through Thursday and 7:30 a.m. - 2:00 p.m. on Friday. A meal plan is offered where savings can be realized through the purchase of meal tickets. Contact the manager of Dining Services for more information.

Vending machines are also available for use whenever the building is open. The Mustang Corral is operated by Garrison Management Services.

Specialty beverages, pizza, and light lunches are also served at the Student/Faculty Exchange. The hours of operation and guidelines for the use of the Exchange are included in the General Regulations section of this handbook.

Faculty Advisors
Each student is assigned a faculty advisor who assists in academic planning and is a source of information about a specific discipline or area of interest or experience. The advisor provides background knowledge of the curriculum and assists in course selection at the time of registration. Throughout this assistance, the emphasis is on the student's own decision making.

Financial Aid
Villa Julie College is committed to making a quality private education affordable for students. With this mission in mind, the college developed an extensive program of need- and merit-based awards for both full- and part-time students. In addition, V.J.C. participates in all state and federal aid programs.

These awards may take the form of grants and scholarships that are given to the student, part-time employment on campus, or student loans that are repaid after graduation. Often, students are offered a "package" of aid that contains each of these different types of assistance.

Many aid programs are based on need, which is defined as the difference between the cost of attendance (tuition, fees, books, and living expenses) and the family's contribution (what the student can afford to pay for a year). To determine need, the College requires that students file the Free Application for Federal Student Aid (FAFSA) and the Villa Julie College Institutional Aid Application. *Students must file for aid each year, and the priority deadline to file is March 1 preceding the fall semester.*

For all programs (federal, state and institutional), financial aid awards are applied to the student's account only after enrollment is verified. This verification is done upon completion of the College's published refund period, which ends on the 21st calendar day of each semester. Awards will be revised, if necessary, based upon enrollment at that time. Credit checks are issued to students approximately 10 days after this verification process is complete.

Please consult the College catalog for more detailed information about programs, policies, and procedures. Financial aid information and application forms are available in the Financial Aid Office, in Knott Hall.

Fitness Center
The Fitness Center is located on the lower level of the Student Union and is provided by the College to promote a physically fit lifestyle for our students, faculty and staff. A combination of cardiovascular, circuit, and free-weight equipment is available. See "Athletic Facility Use Policies" in this Handbook for further information.

Health Services
The college Health Suite is located on the lower level of the Student Union. Under the direction of a registered nurse, the Health Suite maintains medical records, offers routine first aid and provides informational brochures concerning health issues. Accidents or emergencies should be reported to the college nurse, to Security, or to the Evening Secretary at night. For emergency directions, see the General Regulations section of this Handbook.

Identification Cards
Identification cards are issued on Orientation Day, FREE OF CHARGE, to new students entering the College. At any time other than Orientation Day, there is a $5 charge for issuing or replacing an ID card. Cards may be obtained throughout the year, by appointment, from the Campus Life Office or the Evening Secretary during special evening hours at the beginning of each semester. *Returning students should obtain a free validation sticker at the beginning of each semester at either of these offices.*

An ID card enables students to use the services of the library, computer labs, and otherwise authorizes the student's presence on campus.

Selected stores, establishments, museums and public transportation systems throughout the area offer student discounts with the presentation of the College ID.

Information Services (Computer Services)
The Office of Information Services (Computer Services) is located in room AC 310, which is on the third level of the Academic Center. The Villa Julie College network consists of eight classroom computer laboratories, two dedicated open computer laboratories, the Learning Laboratory, and the Library computer research laboratory, all linked to the campus fiber optic network.

The dedicated open computer labs in AC 205 and SC 116 is available to all students for all software applications whenever the College is open. The classroom labs KH 14, KH 121, KH 122, KH 123, AC 203, AC 230, AC 315, AC 316, and AC 317 are available according to a schedule posted on their doors. In the future, classrooms AC 009, AC 304 and AC 305 will become computer laboratories.

Villa Julie has two types of computers on campus, PC and Macintosh. The following lists the classroom number, primary user and the type of computers contained in each of the computer classrooms:

Room Number	Primary User	Computer Model
KH 14	Science Department	Macintosh
KH 121	IS and General Purpose	PC
KH 122	IS and General Purpose	PC
KH 123	IS and General Purpose	PC
KH 201	General Purpose	PC and Macintosh
AC 203	Graphic Design/Education	Macintosh
AC 205	Open Lab	PC and Macintosh
AC 230	Graphic Design/Education	Macintosh
AC 315	IS and General Purpose	PC
AC 316	IS and General Purpose	PC
AC 317	IS and General Purpose	PC
SC 116	General Purpose	PC

Villa Julie's computer laboratories are for the use of currently enrolled students, faculty, staff, and administration only. These labs are for class and college assignments and are not for personal use.

Laboratory aides are available in the computer labs all day and every evening and weekend. The aides are available to all students needing assistance with computer assignments or experiencing hardware or software difficulties. The aides are identified by a sign placed on top of their monitor in AC 205 and are available by phone from any computer classroom by dialing extension 2410.

All students using the computer laboratories are required to place their Villa Julie student identification card on top of the monitor of the PC at which they are working. Students who do not have an ID card will be asked to leave until they obtain the card from the Campus Life Office.

Computer Logins
Each student, faculty, and administrator must have an individual computer login ID to use the computer equipment on campus. Computer logins are issued at no charge by Information Services as long as you present your validated V.J.C. Identification Card. Students must have read and signed the College Policy on the Use of Computers before receiving their login ID.

Remote Connectivity
Villa Julie College has the capability for students, faculty and staff to connect to the College's network from home via modem or the web. Currently the only type of computer capable of connecting to the College remotely is one that runs either DOS, Windows 3.1, Windows 95 or Windows NT Workstation. Remote Macintosh connectivity is available. Modem connections up to 28.8 KB are currently available. Please contact a laboratory aide at extension 2410 for details

Learning Laboratory
The Learning Laboratory seeks to assist students by providing the academic support services that will help them succeed in their classes. It is located in Knott Hall, Room 201 and the telephone number is 410.602.7285 or ext. 2285.

Any student who is currently enrolled in a Villa Julie program of study is eligible to receive free tutoring and other academic support. The Learning Laboratory provides: individual tutoring in any course; writing support for students enrolled in writing courses; academic support for students for whom English is a second language; and a review of study skills for all students. Group sessions are held for Accounting, Math and Science courses.

Individual academic counseling is available by appointment. The Directors are available for help in reading, study skills, writing, and to discuss concerns about classroom performance. They will help devise a plan for academic improvement.

Student tutors, chosen on the basis of their excellent academic performance and their ability to relate to others, meet individually with students. They are trained in tutoring and study skills and work in conjunction with the Learning Laboratory. In addition to student tutors, Faculty also tutor in English, Accounting, and Math. Students may come for tutoring as often as needed.

Computers and printers are provided in the lab for student use in improving writing skills and for word processing.

Library
The library is located on two floors and is adjacent to the Administration Wing. It is a vital part of Villa Julie College life. The library staff encourages library use, and is committed to assisting students in their academic work. In addition to its own collections, described below, the library provides access to the world of information outside its walls. Besides the traditional inter-library borrowing of materials not in its collections, the library provides access to four important on-line data sources. These include the Westlaw legal data base, the Dow-Jones and Dialog informational data bases, and the Internet. For more information about using these extensive resources, see a library staff member.

Scope and Nature of the Collections
The collections are growing rapidly, now totaling the equivalent of over 90,000 volumes. Included in the holdings are many formats, such as books, periodicals, videos, CDs, audio tapes, microfilm, microfiche, computer diskettes and CD-ROM's. The collections are intended to support the College's curriculum.

Library Catalog and Other Finding Aids
The Library's catalog resides on a server which is updated daily to reflect new holdings. The catalog is available via the campus computer network as well as on all computer terminals in the library. It is also searchable via the

World Wide Web from home or office via the Library web site (http://www.vjc.edu/library/): click the Access to Databases link.

Numerous other indexes and full text resources are available electronically via subscription on the World Wide Web or on CD-ROM. These include indexes to several major newspapers, Britannica Online (an encyclopedia), and periodical indexes, abstracts, and full text articles in a variety of fields. Consult the Library's web site listing for a complete list, or ask the reference librarian.

Hours
During the Fall and Spring semesters, the library is open 7:30 a.m. to 10:00 p.m., Monday through Thursday, 7:30 a.m. to 5:00 p.m. Friday, and 8:30 a.m. to 4:00 p.m. on Saturday. It is also open selected Sundays, as posted. Library hours during the summer and when the College is not in session vary and are posted in advance.

Policies
In order to protect the library's collections and make them available to all students in an equitable fashion, the Library has a number of policies. Some of the most important of these are as follows:

Circulation
In order to check out materials, a current student identification card with a library bar code must be displayed at the Information Desk. Books circulate for four weeks and may be renewed providing no other patron needs them. Videos and CDs circulate two at a time for a non-renewable one-week period. A student may check out five court reporting tapes at a time for a renewable one-week period.

Reserved Materials
All materials placed "on reserve" by instructors are shelved behind the Information Desk. These may be used only in the library on the date they are checked out. Some reserve material may be checked out of the library for one night upon payment of a refundable one dollar deposit.

Overdue and lost or damaged material
Fines are charged for overdue materials. Consult library staff for the fine schedule. Students must pay for the cost of lost or damaged materials, as well as a handling charge of $5 per item. Students will not receive diplomas at graduation or be issued transcripts until all library fines and charges are paid.

Food and drink in the Library
In order to protect library materials and computers, eating or drinking is prohibited in the library.

Security
To protect library material, and to ensure equal access to the library's collections, an electronic security system has been installed in the library. All access to the library is through the two gates at the front of the library.

All other exits are locked from the outside and have security alarms on the inside.

Lockers
The locker rooms are located on the lower level ot the Student Union. A locker may be procured through the Associate Athletic Department during hours posted on her door.

Locks are supplied by the College and should be returned to the Athletic Office after students have completed their physical education class or team participation each semester.

Lost and Found
Report all lost and found articles to the Campus Life Office.

Mailboxes
Mailboxes are one of the most frequently used means of communication within the College. Therefore, mailboxes should be checked twice a day.

Student mailboxes are located across from the Campus Life Office on the second level of the Student Union. Although the mailboxes are open, the right of privacy must be observed.

Off-Campus Residence For V.J.C. Students
For the convenience of out-of-town students or for students who wish to experience the independence of apartment living, the College leases apartment buildings just off Reisterstown Road and the Beltway, 4.5 miles from the campus. Each apartment is fully furnished (students need only to supply linens, food, and a telephone) and houses four Villa Julie College students. Each unit contains 2 bedrooms, a living room, kitchen, dining area, and 1 bath. The entire building houses only Villa Julie students.

The charge per student for the 2000-2001 school year is $1,825 per semester which includes utilities. A shuttle bus service operates between the apartment complex and the College campus at no extra cost.

Students who wish to apply for residence must have—and maintain—a 2.5 quality point average, must be enrolled at Villa Julie College full-time, and must adhere to the code of behavior for off-campus residence. Incoming students may obtain an application from the Admissions Office; current students may obtain an application from the Campus Life Office. The College reserves the right to determine final selection.

Resident Directors and Resident Assistants reside in the apartment complex to foster a community atmosphere, to encourage positive student behavior and to respond to emergencies.

Showers
Showers for men and women are located on the lower level of the Student Union.

Student/Faculty Exchange
The Student/Faculty Exchange was designed to provide a relaxing, comfortable place for faculty and students to study or socialize and to enjoy refreshments and light lunches. Special events are held here throughout the year, some with guest entertainers. This building is situated just adjacent to and west of the Academic Center and houses a reading room, cafe, meeting room, outdoor patio, and the Office of Career Services. Faculty offices are located on the second floor.

SAFETY AND SECURITY

Pursuant to the Higher Education Act of 1965, as amended by the Campus Security Act (Pub. L. 101-542), Villa Julie College annually publishes and distributes to student mailboxes a report on campus safety policies and procedures and statistics concerning campus crime. Below is an excerpt from the Campus Security Act Report.

A. Safety on Campus

Villa Julie College is committed to the safety and security of all members of the College community. If, however, you are confronted by a situation requiring assistance by the College's Security Office, please follow these procedures:

1. For crimes or accidents

To report an emergency situation, go to the nearest Emergency phone or College telephone and dial "0" which will connect you to the main College switchboard. College telephones are located throughout the College campus and in staff and faculty offices. Emergency phones are found in the Academic Center, Student Union and the College parking lots. Describe to the operator your emergency situation. The operator will then contact campus Security via two-way radio. Students may also report emergencies by dialing "0" on the College elevator telephone to contact the company that monitors the College's alarm system. That company will immediately call "911" on a public telephone to contact the Baltimore County Police Department and then contact Campus Security.

2. For fires

In case of fire, pull the nearest fire alarm and exit the building. Fire alarms are located throughout campus. Once outside of the building, immediately contact Security by dialing "0" on a College telephone or by using the security phones.

3. Suspicious persons

Any suspicious person observed on campus should be reported to Security immediately by dialing "0" on the nearest College telephone or by using the security phones.

B. College's General Policy for Crime Prevention

Students, faculty and staff are encouraged to be responsible for their own safety and security and the safety and security of others on campus. Each member of the campus community is encouraged to assist security in eliminating the opportunity for a crime to be committed. Some "common sense" tips for crime prevention include:

1. Lock your car doors when you are in your car and when you leave it;
2. Do not walk alone on campus at night;
3. In the evenings, park in a well-lighted area, in a lot close to your destination.

C. Campus Safety

1. The Facility

Security lighting is provided throughout the College campus. Members of the College's security office patrol the College grounds. During the hours when the College is closed to the general public, on weekends and evenings, campus building are locked and security is maintained. Maintenance workers regularly inspect the buildings to remove any hazards and to promote safety.

2. Security and Crime Awareness Programs

The College is involved with a variety of education awareness and prevention programs to educate members of the College campus regarding security and crime prevention, which may include:

a. Presentations at Orientation;
b. Brochures in the Student Union, Office of Campus Life;
c. Articles in the library;
d. Special presentations on topics of interest in cooperation with the Dean of Students and the Student Government Association;
e. One-on-one discussion sessions with a member of the Security staff or the College's counselor, at the request of any student;
f. Mailings of literature on contemporary issues;
g. Periodic lectures, presentations, and workshops by qualified professionals;
h. Regular and unannounced fire drills/emergency evacuation drills;

3. Office of Safety and Security

a. Campus Security Personnel

Whenever the College is open, several members of the security staff will be on campus and in two-way radio communication with the administration and the switchboard operator. All Security personnel at the College are either off-duty or retired Baltimore County Police Officers or Maryland State Police Officers. The Security staff has a close cooperative relationship with the Baltimore County Police at Garrison, where it refers all law enforcement functions and crimes for appropriate action. The Security staff does not have law enforcement/arrest authority and its members are not required to carry firearms.

b. Security Services

In addition to patrolling the College campus and responding to emergencies, the security staff offers the following services:

- Jump start dead batteries
- Open locked cars
- Administer emergency First Aid
- Deliver emergency messages to students
- Assist in out of gas situations
- Assist with flat tires
- Issue all College door keys and open doors in emergency situations
- Escort evening students/staff to cars upon request

ACTIVITIES

Athletics

Intercollegiate Athletics

Villa Julie offers a wide variety of sports for both men and women. Known as the "Mustangs" the college fields the following teams for men and women: basketball, soccer, cross country, lacrosse, golf, cheerleding, track and field, and tennis; for women only, field hockey, softball and volleyball, and for men only, baseball. Villa Julie College is a member of the NCAA Division III, and belongs to the ECAC (Eastern College Athletic Conference). The college also sponsors one club sport: men's volleyball.

All student athletes are encouraged to compete for the NCAA Division III varsity and club athletic teams. Student athletes are encouraged to be multi-sport athletes. Open try-outs are announced at the beginning of each session. Students are eligible to earn a physical education credit by participating on a team or serving as a manager of a team.

Intramural Sports

For students who enjoy athletic competition in a more unstructured, social atmosphere, our intramural program has just the right mix. Students can participate in sports like tennis, basketball, volleyball, flag football, and softball to name only a few. Villa Julie's 60 acre campus provides a beautiful setting for any athletic event. Students, faculty and staff have privileges on our tennis, basketball and volleyball courts, our exercise equipment and the playing field.

College-Sponsored Events

All-College Meetings

All-College Meetings are convened by the President of the College to develop a sense of community, to provide a forum through which to communicate the "state of the College" to students, faculty and staff, and to discuss topics of importance to the College.

Baccalaureate Service

This is the final gathering of the graduating class before graduation. The service solemnly commemorates the completion of one phase of the student's life and celebrates the opening of another. It is a service of prayer, thanksgiving and blessing suitable for all religions. All Associate's and Bachelor's Degree graduates, along with their guests, are encouraged to attend.

Campus Days and Evenings

The Admissions Office schedules days and evenings every year on which prospective students are given the opportunity to visit the College, to sit in on classes, to talk with students and faculty, and generally, to learn about the College on a first-hand basis.

Commencement
The culmination of each academic year is commencement at which graduates, parents, family and friends attend the presentation of degrees and honors.

Honors Convocation and President's Reception for Students on the Dean's List
Students who have achieved high academic standing, as well as those who have been eminent in their service to the College, are honored by a general convocation and reception of students and faculty near the end of the academic year. Families are cordially invited.

Lecture Series
The Lecture Series each year brings to campus outstanding speakers from many phases of life - law, medicine, politics, the arts, and media. As an integral part of the College's educational program, the series is designed to enhance and to stimulate intellectual growth. Topics are keyed to the interests and concerns of today.

Students and faculty are involved in planning and implementing this annual series of 5-6 lectures. The series is free and open to the public.

Nursing Pinning Ceremony
A ceremony is held in December and May to present the nursing graduates with their Villa Julie College/Union Memorial nursing pins. All nursing graduates, their families and friends are invited to attend.

Nursing Spring Conference
During National Nurses Week, the Nursing Division sponsors a Spring Conference. This one-day conference features guest speakers, workshops and a luncheon. Junior and Senior nursing students are required to attend with freshmen and sophomores encouraged to attend.

Orientation Program
The Orientation Program exists to facilitate a student's transition to college life. Familiarization with the academic, social, extracurricular, and personal services available at the College are stressed.

The program begins with preregistration. Students meet with Division Chairmen and faculty advisors to discuss program and course selection.

Orientation activities continue in August, before classes begin, with a program designed to acquaint students and parents with the campus and to inform them of the services and resources available on campus. Members of the faculty, administration, and student body are present to welcome the new students and to review academic and general policies.

Transfer students and non-traditional age students attend a separate Orientation Program which addresses their particular needs.

There is also an Orientation in the evening for evening and weekend students where ID's, parking permits, a Library tour, and a tour of the campus provide students with the information and materials to start the semester well prepared.

College Organizations and Clubs

Twice a week the College schedules a free period to accommodate various extracurricular activities. Meetings and work periods, as well as campus interest-group events, are usually scheduled during this time. Every student is cordially encouraged to participate in any one of the extracurricular activities.

Accounting Association

The Association gives accounting majors the opportunity to interact with their fellow accounting majors and also with professional accountants. It provides advice to help each student achieve the employment he/she desires and assists the students in interrelating classroom experience with the workplace. Each semester members are encouraged to participate in professional, community service, fund raising, and recreational activities.

Admissions' Student Representatives

The Admissions' Student Representatives are trained volunteers who are selected on the basis of their leadership potential. They act as tour guides, student hosts, and panelists during on-campus admissions programs and facilitate the general introduction of the campus to prospective students and their families.

Association for Childhood Education International (ACEI)

The purpose of this organization is to promote the inherent rights, education and well-being of all children in home, school and community, to work for desirable conditions, programs and practices for children from infancy through early adolescence, to raise the standard of preparation for all of those actively involved with the care and development of children, and to encourage continuous professional growth of educators. Membership in this organization is open to any person affiliated with Villa Julie College whose interests are in harmony with the purposes of ACEI.

Association of Information Technology Professionals
The Association of Information Technology Professionals (AITP) is an international association providing superior leadership and education in Information Technology. AITP is dedicated to using the synergy of Information Technology Partnerships to provide education and benefits to its members and to working with the information industry to assist in the overall promotion and direction of Information Technology. Members in the association are in colleges, universities, banking, industry, retail, the armed forces, local and state governments, etc. Students interested in Information Technology are welcome to participate.

Black Student Union
The purpose of this club is to promote racial understanding on campus, as well as to foster an identity among black students. Open to all students, it is a group that endeavors to help fellow students adjust academically and socially. Through informal discussions, panel presentations, guest speakers, and community service projects, the club fosters cultural awareness among the College community.

Pre-Medical Club ("Club Med" or "PPH")
The purpose of this club is to provide students who are interested in pursuing careers in the health professions with educational, social, service, and leadership opportunities. Club Med-PPH sponsors annual events including the health fair, Adopt-A-Family for Christmas, and a St. Patrick's Day fundraiser. The club also maintains a library of material pertaining to the variety of programs and opportunities available in health-related fields. All interested students are welcomed and encouraged to join.

Environmental Club
The Environmental Club promotes awareness of environmental issues and activities related to these as well as health issues. All students are invited to become members. Students in science-related programs are especially encouraged to participate.

History Society
The History Society is a relatively new club on campus. Its purpose is to provide a forum for students to learn about and discuss historical topics in a fun environment. The History club, often working together with other clubs on campus, sponsors lectures, debates and field trips. All interested students are welcome to participate.

Leadership Board
This group is composed of all student organization presidents (club, class, and Student Government Association). They meet once a semester with the President and the Dean of the College and the Dean of Students to discuss the activities of each group and to provide a personal means of communication among them and the Administration.

Music Groups
Students and faculty with musical interests have the opportunity to participate in the College's Instrumental Ensemble and the Chorus. Both groups present a variety of music at several performances both on and off campus throughout the year.

Mustang Club
The Mustang Club is an organization made up of alumni, parents, faculty, administration and friends of the College who enjoy Villa Julie athletics and wish to have an organization to channel supportive energy, promote ideas for athletic programs, and gather for social activities. Contact the Director of Athletics for more information.

Mustard Seeds
Mustard Seeds is Villa Julie College's chapter of Campus Crusade for Christ. It is a non-denominational Christian Fellowship group welcoming people from all Christian denominations. They meet twice a week for fellowship and have a guest speaker once a month. The ministries in which they participate include music, bible study and service/outreach.

National Student Nurses Association (NSNA)
The Villa Julie College/Union Memorial Hospital Chapter of the NSNA is a professional club that focuses on issues that are of interest to the profession of nursing. As members of the national and state organizations, students have the opportunity to network with health care professionals, meet and plan activities with students from area chapters, attend conventions at the state and national level, and enjoy the support and camaraderie of other students in the nursing field. Activities include an Introduction and Welcome to the Nursing Program for new students, publication of a newsletter, social events, guest speakers, blood drive, day long educational conference and sponsorship of National Nurses Week activities campus-wide.

Paralegal Club
The purpose of the Paralegal Club is to enhance interest and knowledge of the paralegal profession through programs of educational and social interaction. Members have the opportunity to participate in professional activities, listen to experts speak on legal topics, share experiences and enjoy the company of other paralegal students.

Phi Sigma Sigma Sorority
Villa Julie's chapter of this national and international sorority endeavors to promote friendships and cooperation among college women of all races and creeds, to give service, to raise the standard of college ideals and to promote philanthropic efforts. Members sponsor social events, fundraisers, and participate in activities with other area chapters.

Reformed University Fellowship ("RUF")
RUF is an evangelical and reformed Christian fellowship open to all students that is sponsored by the Presbyterian Church in America. They exist for one reason: to challenge today's college students to think seriously about the world around them from a distinctly biblical and historically Christian perspective. The goal of this group is two-fold reaching students for Christ and equipping students to serve.

Service Corps
The Villa Julie Service Corps is a team of dedicated students committed to serving the community while exploring issues related to society and self. The Service Corps has three goals: to have fun and build a solid team experience for all corps members, to create a dynamic atmosphere for learning where critical thinking and leadership skills are enhanced, and to meet community needs while learning about self, other corps members, and social issues. Corps members meet on six Saturdays during the semester, completing 20 hours of service-learning.

Students in Free Enterprise (SIFE)
This organization is a partnership between higher education and business. Student teams have the opportunity to learn and teach others how market economies and businesses operate, and to use this knowledge to better themselves and their community. There are also competitions that offer a forum to present projects to panels of top level business executives and compete for prize money and trophies.

Student Advisors
These students are nominated by a faculty member to participate in the Student Advisor program because of their leadership potential. Student Advisors assist with Baccalaureate and Commencement and welcome new students during Orientation.

Wilderness Leadership Society
This club's focus is on leadership experience, teamwork and individual participation gained through involvement in outdoor activities. Membership in this club is open to all Villa Julie College students, faculty members, or administrative staff members who wish to participate in outdoor and wilderness activities.

Other clubs may be organized at the request of students.

Publications

The Evening News
A biweekly publication provided for the Evening and Saturday students which contains administrative, academic and social items of interest, such as registration information, academic advising schedules, art openings and lectures in the evenings and on Saturdays. It is posted on the bulletin board in the Academic Center and available in AC 221 and the Library.

FYI (For Your Information)
A biweekly newsletter published by the Campus Life Office to communicate announcements and calendar events. Students, faculty, and staff submit items for publication.

Spectrum
A literary and fine arts magazine published annually, including poems, short stories, essays, photographs and art work submitted by students, faculty, and staff. Contents selected and edited by students and a faculty moderator. Prizes awarded for best entries.

The Villager
The college newspaper, written and managed by students, is published biweekly each semester as part of the two-semester journalism course. Aspiring writers should consider adding this course to their schedules. Students who wish to contribute to The Villager should contact the editor or advisor of the paper.

Wooded Way Notes and News
A newsletter for residents of Wooded Way, Villa Julie's off-campus housing. The newsletter contains articles about health, interpersonal and safety issues as well as information about upcoming Wooded Way, campus and area events.

Special Events

Art

There are monthly shows in the Art Gallery, Theatre Lobby, Art Wing, and The Exchange. Exhibitions of well-known artists, faculty and student are scheduled in these locations. Receptions, musical performances, lectures and films accompany shows.

Drama Television and Film Productions

Major productions are scheduled during the year by the Communication Arts Department on the main stage of the Inscape Theatre and the Brown Box Theatre. Villa Julie students have performed at various informal campus/community gatherings and have staged productions in past years at the Inner Harbor, Annapolis, Towson, Columbia, in churches and have entered and won recognition at the National American College Theatre Festival in the competitions. Some shows have been televised. Student managed and produced drama presentations are held in the Rehearsal Studio. The corporate video group produced videos for the McCormick Spice Corporation, the Baltimore Museum of Art, the Chesapeake Bay Foundation, and Boordy Vineyards and each year have placed first in competition sponsored by the International Television Association. In 1997, the video students won a national award.

Student-Faculty-Administration Board

The Student-Faculty-Administration (SFA) Board serves as an advisory body to the President and administration for the formulation of policies and changes which affect the College community as a whole, and to maintain open lines of communication among students, faculty, and administrators. This Board consists of five administrators, five faculty members elected by the faculty, and all Student Government and class officers. The President of the College convenes and presides at the meeting of the SFA, and voluntarily accepts its major decisions except in such cases as may run counter to other responsibilities of the College and of the President as Chief Executive Officer of the College.

Student Government Association

The Student Government Association (SGA) is an active and influential organization on the Villa Julie College campus. The Student Government Association believes that student participation is the basis for a well-rounded education. Participation in SGA is designed to promote intellectual development and maturity through the organization and implementation of various campus and community activities. Student Government at Villa Julie College offers students the opportunity to develop their leadership and administrative abilities. The College experience of every student is broadened by the Student Government Association through sponsorship of a variety of extra-curricular activities (including dances, concerts, luncheons, talent shows, community projects, etc.).

All students are invited to meetings. Student participation is activated through the SGA and the class officers and all other SGA members. The Student Government plays an active role in the decisions of College policies through its participation in the Student-Faculty-Administration Board.

Any student interested in information or participation may contact any SGA or class officer or the Dean of Students.

STUDENT AWARDS

Who's Who Among Students in American Colleges
Each year second and fourth year students are selected by the College for listing in Who's Who Among Students in American Colleges. Students are selected on the basis of scholarship, participation and leadership in academic and extracurricular activities, citizenship and service.

HONOR SOCIETIES

Alpha Chi
This is a national college honor society for juniors and seniors. Its goal is to enhance the intellectual life of the campus and of the academic community at large.

Third and fourth year students who have a cumulative quality point average of 3.5 or above can be nominated for membership by a faculty member and should contact the chairman of the selection committee for details about submitting a written work.

Membership in Phi Theta Kappa is not a prerequisite for nomination to Alpha Chi.

Alpha Psi Omega
The National Honor Society for university and college theatre gives recognition to individuals working on all aspects of play production, on-stage or off. This includes acting, stage managing, costuming, prop making, painting and building scenery, make-up, promotion, and publicity. Student members are elected each spring and continue their involvement in the society after graduation.

Alpha Psi Omega Fraternity and Practicum
This group hosts professional artists and visiting performers in the field of theatre and television each week. These are open to the College community.

Honor Society of Nursing
The Honor Society of Nursing is an organization that is open to candidates who have demonstrated scholastic achievement, academic integrity, and leadership qualities. Candidates will be invited by the organization. They must have completed at least one-half of the required nursing component of the baccalaureate curriculum, have at least a 3.0 G.P.A. and be in the top 35% of their class in order to be eligible. The individual who decides to join the honor society will be inducted at a special ceremony. The purpose of the honor society is to recognize superior achievement and leadership qualities, to encourage scholarship and creative work and to strengthen the commitment to the ideals of the profession.

Kappa Delta Pi
The international honor society for education students is open to the top students in the field of education. Eligible students must be second semester sophomores or above, have a minimum of 12 credits in education and a G.P.A. of 3.3 or above in education, as well as a G.P.A. of 3.0 overall, and provide supportive evidence of their commitment to education.

Lambda Epsilon Chi

This is a national honor society in paralegal studies for two-year and four-year students. Full-time and part-time paralegal students who have a cumulative quality point average of 3.5 or above and who have completed forty credits in the two-year program or 80 credits in the four-year program are eligible for membership. Members will be selected based on submission of a written work and demonstration of service and dedication to the legal profession.

Phi Theta Kappa

Alpha Alpha Eta, Villa Julie's chapter of Phi Theta Kappa, the National Scholastic Honor Society for two-year colleges, selects new members each semester for membership. This award is given to recognize and promote exceptional academic achievement.

Full- and part-time students who have a cumulative point average of 3.5 or above can be nominated for membership by a faculty member. In order to be considered for possible selection by a faculty committee, the student must submit a written work that demonstrates logical and creative thought.

Students with a 3.5 Q.P.A. who are interested should contact one of the faculty or the faculty committee.

ACADEMIC REGULATIONS

Class Attendance Policy

College students are expected to be responsible for attaining the educational objectives of each course they take. They are expected to attend each class period and have assignments completed on time. Grades are based on demonstrated achievement of the objectives of the course, not on attendance in class as such. In most courses—especially those which build a sequence of skills—class participation obviously is essential to the objectives of the course; this decision is left to each faculty member. Class attendance is often taken for purposes of learning to know names and faces, the guidance expected in an educational enterprise, and the personal concern traditional at Villa Julie College. Students are requested to communicate with faculty when unexpected events keep them from attending class.

Every faculty member is expected to distribute to the students during the first week of the course: a summary of the general and specific objectives of the course, a statement of what the classroom presentations are designed to contribute to these objectives, and an assignment and test schedule for the semester. All tests and major papers or projects should examine achievement of the stated objectives of the course.

Every student is responsible to achieve in some way the material covered or the skills exercised during scheduled classes. The student cannot expect special tutoring to make up for unnecessary absence from class; much less should he expect test dates to be changed for his convenience. Freedom of choice carries with it the obligation to accept the consequences of one's choice.

Faculty should be mindful of differences in student temperament, gifts, and mode of participation. Students should be mindful that they must communicate to their teachers somehow their achievement in the course: a student who would rather not place the full burden of this communication on his final exam and/or term project would do well to communicate his growth in knowledge through class participation.

Finally, when the class grade has been given, the student should expect that the instructor has tried to give an honest appraisal of the student's accomplishment. Nevertheless, any student who questions the accuracy of a grade received may request an explanation from the instructor. A college that has a policy of "responsible attendance" also expects its students to exercise the responsibility of trying to handle their difficulties themselves. Only after this effort has been made should the faculty advisor, or a dean or another third party be approached for further aid. (See Grievance Procedures section of this Handbook.)

Grades and Reports

The academic standing of a student is determined by the quality and quantity of his work. A student must have completed a minimum of twenty-seven semester hours of satisfactory grades to be admitted to the sophomore year, fifty-five for the junior year, and ninety for the senior year.

Grades are determined by the student's achievement in class work, and by the mid-term and final examinations.

Final grades are issued at the end of the semester. Midterm grades are advisory. The semester grades are final and determine actual academic standing. Semester grade reports are mailed directly to each student.

Students are responsible for obtaining their midterm grades. Freshmen receive mid-term grades from their faculty advisors. Sophomores, Juniors and Seniors receive mid-term grades directly from their professors. Evening students receive their mid-term grades directly from their professors.

Faculty are required to keep in their possession the final examinations of a student for a period of three months or 90 days following the semester examination period.

If a student wishes to have a semester grade for a course reviewed, he should do so immediately after receiving his grade and must do so during this three month time limit.

The grading system is as follows:

A Excellence; outstanding achievement.

B Above-average attainment.

C Satisfactory mastery of essentials.

D Mere fulfillment of minimum requirement. Only one course with a D in any one semester will be counted toward a degree. Generally, D is not accepted for transfer credit.

F Failure; no credit for the course.

FX Failure to withdraw officially. The FX grade is also computed in the quality point average as a failure.

W Withdrawal in good standing if made within 10 weeks after the beginning of the semester (four weeks in Summer Session).

WF Withdrawal failing if done after 10 weeks of class This WF grade is computed in the quality point average as a failure.

I Incomplete - An incomplete is granted only by written request, and is subject to approval of both the Dean of the College and the instructor. The grade of "I" is granted only when a student, because of illness or other unavoidable circumstances, has not completed the course objectives. An "I" which is not removed in four weeks automatically converts to an "F." (This four-week limit does not apply to machine shorthand courses, nor English 106.)

AUD A student will be allowed to audit a class if the enrollment of the class warrants it and with the prior approval of the instructor of the course. Students may change an audit to a credit course only during the first week of class. Students may change a credit course to an audit only during the first ten weeks of class (four weeks in summer sessions). This is done through the Registrar's Office.

P/F The grade of Pass or Fail is given for most internships Credit is granted for "P," however, the grade of "P" or "F" does not affect the quality point average.

Quality Point Average

Rank in class, academic standing, class promotion, graduation and honors are based on the quality ratio. This is computed by multiplying the number of semester hours of credit by the quality points given to the grade, and dividing the sum of the products by the total number of semester hours carried. The quality points allotted to each letter grade are as follows: A=4 quality points; B=3 quality points; C=2 quality points; D=l quality point; F=0 quality points. The following is an example of quality points average (Q.P.A.) computation:

grade earned		**quality points**		**credits attempted**		
A	=	4	x	3	=	12
B	=	3	x	3	=	9
C	=	2	x	3	=	6
C	=	2	x	3	=	6
A	=	4	x	4	=	16
				16		49

Total

49 divided by 16 = 3.0625 Q.P.A.

In each semester, no more than one course in "D" will count toward the credits necessary for a degree. However, all of the credits attempted in each semester are computed in the quality average for that semester.

Dean's List

Full-time students who earn a quality ratio of 3.5 or better in any semester have their names placed on the Dean's List. A student is not eligible for the Dean's List while an incomplete grade is in effect.

Academic Achievement List

The Academic Achievement List announces those part-time students who have demonstrated outstanding scholastic achievement during each semester. To qualify, a student must have earned a cumulative quality point average of 3.5 or better in the semester in which he accumulates 15, 30, 45, 60, 75, 90, 105 or 120 credits. Transfer credits are not included in this computation.

Academic Status

Any student who has attempted 9 to 17 semester hours of credit and whose quality point average falls below 1.50 is assigned academic probationary status for that semester. A student who has attempted 18 to 29 semester

hours of credit and whose quality point average falls below 1.90 is considered on academic probation. After a student takes 30 or more credits, he must achieve a quality point average of 2.00 in order to be assigned regular academic status, otherwise the student is on academic probation. Continued unsatisfactory academic performance will result in review of the student's record for possible academic dismissal. (Students on financial aid should refer to the Satisfactory Academic Policy published in the Admission section of the College catalog.)

Degree Requirements

Associate's Degree
Courses of instruction offered by the College are arranged in curricular programs which lead to an Associate's degree. To be eligible for this degree, a student must:

- Satisfactorily earn a minimum of 60 credits;
- Complete the general college requirements in the arts and sciences;
- Complete the requirements of one of the degree programs approved by the College;
- Earn a quality point average of 2.00;
- Complete a minimum of 30 credits at Villa Julie College;- Earn the final 15 credits at the College unless special written exception if requested and obtained from the Dean of the College;
- Comply with the general regulations of the College.

A student expecting to graduate must file an application for the diploma with the Registrar in accordance with the dates specified in the course offering book. Following this application for a diploma, the student will be notified by the Registrar's Office of the remaining courses and credits needed for completing degree requirements. It is beneficial to the student to receive this information before their last year and in time to register for the necessary courses.

The undergraduate records of all persons receiving a degree are closed approximately three months or 90 days after the end of the semester. Any changes to the student's permanent record must be prior to that date.

General College Requirements for the Associate's Degree
The College is committed to providing a solid base in the liberal arts for each student. Therefore, all students are required to take courses that will develop an understanding of their cultural heritage; an appreciation of art and the humanities; the ability to communicate with ease orally and in writing; an understanding of society and how it functions; and the ability to reflect, to reason and to handle quantitative knowledge. To fulfill these general

college requirements, students must complete a minimum of 8 courses (40 percent of the degree work) in the following areas:

- Two courses in English (composition and literature);
- One course in the Communication Arts;
- One course in the Fine Arts (Art, Music);
- One course in Philosophy;
- One course in Religion;
- One course in History or a Social Science (Anthropology, Economics, Geography, Political Science, Psychology, Sociology);
- One course in Mathematics or the Natural Sciences (Chemistry, Biology, Physics, Physical Sciences);
- One "Patterns of Thought" course. These are designed to give an understanding of the historical and cultural perspective of one discipline, and to demonstrate the relation of this one field of study to other areas of the liberal arts. These "Patterns of Thought" courses are offered in several disciplines and may also fulfill a college requirement in one area. At present, "Patterns of Thought" courses may be taken in Art, History, English Literature, Philosophy and Religion;
- One course in Physical Education. Credit for Physical Education is in addition to the 60 credits required for the Associate's degree. (Students 30 years of age or over, and all other students with a medical certificate are exempt from this requirement.)

Bachelor of Science Degree

The student must fulfill the following requirements for the Bachelor of Science degree:

- Earn a minimum of 120 credits, which must include 45 credits of upper level work;
- Complete the general college requirements for a Bachelor's degree (see list below);
- Complete the courses required by the curriculum the student has chosen;
- Achieve a quality point average of at least 2.00;
- Complete a minimum of 30 credits at the College;
- Earn the final 30 credits at the College unless permission is granted in writing by the Dean of the College;
- Comply with the general regulations of the College.

A student expecting to graduate must file an application for the diploma with the Registrar in accordance with the dates specified in the course offering book. Following this application for a diploma, the student will be notified by the Registrar's Office of the remaining courses and credits needed for completing degree requirements. It is beneficial to the student to receive this information before their last year and in time to register for the necessary courses.

The undergraduate records of all persons receiving a degree are closed approximately three months or 90 days after the end of the semester. Any changes to the permanent record must be made by this date.

General College Requirements for the Bachelor's Degree
To fulfill the general college requirements, students must complete a minimum of 17 courses in the following areas:

- Four courses in English: two writing courses (English 151 and a second writing course) and two literature courses. At least one of these must be at the 300 or 400 level.
- Four courses, one in each of the following areas: Communication Arts, the Fine Arts (Art, Music); Philosophy and Religion;
- One course in History or the Social Sciences;
- One course in Mathematics;
- Two courses in the Natural Sciences, one with a laboratory;
- One "Patterns of Thought" course. These are designed to give an understanding of the historical and cultural perspective of one discipline, and to demonstrate the relation of this one field of study to other areas of the liberal arts. These "Patterns of Thought" courses are offered in several disciplines and may also fulfill a college requirement in one area. At present, "Patterns of Thought" courses may be taken in Art, History, English Literature, Philosophy and Religion.
- Four additional courses from Art, Communication Arts, Humanities, Mathematics, the Social Sciences, or interdisciplinary courses. None can be courses required for the major. These courses must be at the 300 or 400 level.
- One course in Physical Education. Credit for Physical Education is in addition to the 120 credits required for the Bachelor's degree. Students who complete all of their courses on a part-time basis and students with a medical certificate are exempt from this requirement.

Registration
Students must register by appointment in person on the days scheduled in the academic calendar. A seventy-five dollar fee is charged for late registration for full-time students and a ten dollar fee for part-time students.

Students complete registration when all financial obligations have been met, and they accept their printed schedule of classes.

Any student who is carrying twelve or more semester hours is classified as a full-time student.

Course Load
The normal student load for full-time students is from 15 to 17 semester hours of credit depending upon the curriculum in which a student is registered. A student may not register for more than 17 hours in any one semester without the permission of the Dean of the College. There is an additional tuition charge for credits over 17 hours.

Part-time students may carry up to eleven credit hours. Normal course load for the summer session is six credits. Exceptions to this rule must be approved by the Dean of the College, either before or at the time of registration.

A semester hour represents credit earned for one hour of class or two hours of laboratory work during each week of one semester of fifteen weeks. Thus a student who does satisfactory work in a class that meets three lecture hours a week for one semester receives three credits for that class. Courses that carry no credit are counted in the total semester hours.

Schedule Changes
A student's program of studies is made out in consultation with a faculty advisor. All changes must be done in the Registrar's Office. If the student makes a schedule change, the student is responsible for determining the impact on his progress toward graduation.

Adding Courses
Students attending fall or spring sessions who wish to add a course may do so only during the first week of classes each semester. Students attending January or summer sessions may add a course only before the second class meeting.

Withdrawing From Courses
Students who drop a course must do so in writing in the Registrar's Office. Students who withdraw during the first week of class will not have this course recorded on their transcript.

Students attending fall or spring sessions who have not dropped a course during the first week of class may withdraw from the course during the next nine weeks of the semester. Students withdrawing during this period will have a grade of "W" recorded for the course. After the tenth week of class, any student who withdraws from a course receives a grade of "WF." Students attending summer sessions who have not dropped a course through the first week of class are permitted to withdraw from a course through the fourth week of classes and receive a grade of "W." After that time a student who drops a course receives a grade of "WF." Students who leave the college during a semester and do not officially withdraw are awarded a grade of "FX."

Policies Pertaining to Transfer Credit

Students must provide transcripts from all colleges or universities previously attended at the time of admission to Villa Julie.

Students are advised that only the courses and credits completed at other accredited institutions with a grade of C or better are transferable to Villa Julie. Courses must be in programs offered at this college.

Grades and quality point averages earned at another institution are not transferable. The credit will apply toward graduation but the quality points are not used in calculating the academic average required for graduation. Students who are retaking a class at another institution that he/she failed at VJC should know that the quality points will not remove the F from the VJC transcript.

Students enrolled at Villa Julie should request authorization from the Dean of the College to take courses elsewhere if these courses are to be applied to the degree. Students may not take courses at other institutions if they are within the last 15 credits required for an Associate's Degree or the last 30 credits required for a Bachelor's Degree.

Credit for Prior Learning and CLEP Policy

Adults returning to college or beginning to seek a college degree, may wish to investigate opportunities to obtain college credit through Credit for Prior Learning. In order to earn Credit for Prior Learning, a student must demonstrate that, from significant experiences in his life, he has acquired knowledge and/or skills and abilities which are the equivalent of learning acquired from a college course. This learning (called Prior Experiential Learning) can be the result of a variety of life experiences: employment, volunteer work, community service, travel, military service, etc.

Credit is granted for learning, not experience, and will be earned only when the student has successfully demonstrated that his learning:

- is the equivalent of that gained through courses traditionally taught in colleges;
- is at a level of achievement equal to what is normally required in college courses;
- is current and shows both theoretical knowledge and practical application of the subject area.

Students in a degree program at Villa Julie College can pursue Credit for Prior Learning through any one of three methods:

1. *Departmental Examinations.* The content of departmental examinations is determined by the Division Chairman. Students who wish to take departmental examinations in exchange for credit must make arrangements through the Counselor for Adult Students.
2. *Portfolio Presentations.* Portfolios are written presentations that demonstrate the student's acquisition of knowledge and/or skills which are the equivalent of learning acquired from a college course. The portfolios are evaluated by the Department Chair. To begin the portfolio process, students should contact the Counselor for Adult Students.
3. *The College Level Examination Program (CLEP).* Many students who are not recent high school graduates have acquired knowledge through experience that is equivalent to that gained through a college course. This knowledge can be evaluated through the College Level Examination Program—CLEP (see explanation below). If the student achieves a certain score on these examinations, college credit may be awarded.

Guidelines for Obtaining Credit for Prior Learning

The following guidelines are given for receiving Credit For Prior Learning through the College Level Examination Program (CLEP), Departmental Examination or Portfolio presentation. Students who wish to inquire about credit for learning gained through training courses outside of accredited colleges should consult the Assistant Dean, who will review recommendations given through the guide published by the American Council on Education (ACE) and the college policy concerning these programs.

CLEP Policy

CLEP, a program of the College Entrance Examination Board, is a nationwide system of credit-by-examination. CLEP offers two types of tests:

1. General Examinations which measure college-level achievement in five basic areas of the liberal arts: English Composition, Humanities, Mathematics, Natural Sciences and Social Sciences and History. The general examinations test material is usually covered in the first two years of college in the general education or liberal arts segment of the curriculum. While each of these tests measure material that is usually contained in six credits of college work, most colleges award the amount of credit usually given for comparable areas of the curriculum at that college;
2. Subject Examinations measure achievement in specific college courses and serve to grant exemption from and to give credit for these courses. Some of these examinations include an optional essay in addition to an objective test of 90 minutes.

Students seeking credit through these examinations should be aware of the following policies:

1. Credits earned through CLEP examinations are considered by this college to be transfer credits. In order to earn a degree from Villa Julie College, a student must earn a minimum of 30 credits at this College. CLEP credits are not considered credits earned at Villa Julie;
2. Credits earned through CLEP may not be used toward the last forty-five credits in a bachelor's degree program or the last thirty credits in an associate degree program;
3. Credit is not allowed for an examination which duplicates another exam-ination or course previously completed. Credit is also not allowed for a course which has been waived, or where a related, higher-level course has previously been completed;
4. Credit is granted for scores on the Subject Examinations and General Examinations that are at the 50th percentile or higher;
5. Optional essays are not required for any exams;
6. Students transferring from another college must have original CLEP scores sent to the College. Credit will be awarded according to the policy of Villa Julie College;
7. Grades are not awarded for credit received through CLEP exam-intions, and therefore, this credit has no effect on the cumulative grade average;

8. CLEP credits may be used to fulfill the General College Requirements and electives. In some cases, they may be used to fulfill program requirements;
9. A student must matriculate at this college before CLEP scores are recorded on the transcript. Grades for CLEP are not computed in the quality point average, credit only is granted;
10. Some subject examinations are not accepted by this College; the student should consult the counselor for adult students to determine which examinations are accepted;
11. Students pursuing Credit for Prior Learning receive a grade of pass or fail on their transcripts. Students wishing to transfer to another institution or wishing to attend graduate school are responsible for checking the transferability of credit for prior learning credits;
12. The same amount of credit is given for these exams as is given for the equivalent course at this College;
13. Students must submit the results of the CLEP examinations at the time of admission to the College in order to avoid duplication of work and to provide a basis for planning their program of studies for the completion of a degree.

Delay of Instructors

If an instructor is late for class, students should wait in the classroom at least ten minutes. Then, before leaving class for the day, students should contact the Academic Dean's office to find out if a message was left and what time the instructor is expected.

Examination Policy

Examinations must be taken at the scheduled hour. A student may miss an exam only for a documented illness or other emergency. The student must notify the instructor immediately of the need to miss the exam. The exam will be rescheduled in the Registrar's office only with the approval of the faculty member. A fee of $10 will be charged for each late examination.

Students who have a conflict in their exam schedules, i.e. two exams scheduled for the same time, must inform the Registrar of this conflict. She will make arrangements for the student to take one exam at another time and will notify the instructor of the course. These arrangements are made by the Registrar only. The student will come to the Registrar's office to pick up the exam which has been rescheduled and will take it in the room set aside for this purpose.

Faculty are required to keep in their possession the final examinations of all students for a period of three months or 90 days following the semester examination period.

Internships
Second-year students are afforded the opportunity to serve an internship in a business or professional office, hospital or government office. This experience is arranged through the internship office in each division. Most internships are given credit.

An internship is one of the great strengths of Villa Julie. It provides the opportunity for the student to gain practical experience, in the real world of work, in his area of special interest. However, it is the responsibility of the student to register for the internship before beginning the experience.

Cooperative Education
Cooperative Education provides second, third, and forth year students with paid, part-time work that directly correlates to their academic field of study. Co-ops are available for all Bachelor Degree students except for Nursing and Education Students who have their own extensive career field experiences. The Co-op program enables students to network with professionals in their field, gain valuable information in their career decision-making process, and develop skills that increase their ability to secure a good career position upon graduation. Students work in: firms, information systems departments/companies, science laboratories, organizations/businesses, and government/nonprofit agencies. Selection for the Co-op program is based on the student's grade point average, resume, faculty recommendation, and an interview with the Assistant Director.

Upon placement, students complete requirements for this pass/fail noncredit course, which include establishing challenging goals for the assignment and evaluating the experience at the end of their placement. Cooperative Education positions often lead to full-time career positions upon graduation.

Transcript Requests
Transcripts are sent at the written request of the student. A fee of three dollars must be submitted with the request form to the Registrar. All obligations to the College, including full payment of tuition bills, fees, or fines and if applicable, the completion of a Federal Stafford Student Loan Exit Interview, must be met before a transcript is issued.

Leave of Absence
A degree-seeking student who finds it necessary not to enroll at the College for one or more consecutive semesters, but who intends to resume studies at a later date, must file a leave-of-absence form with the Registrar. A leave of absence is in effect for 2 semesters.

Withdrawal Procedures

A student planning to withdraw from the College should understand that his record is not complete until he has officially withdrawn. Before leaving, he is responsible to clear all obligations regarding tuition/financial aid, library books, and parking fees. The student must complete a Notice of Withdrawal form and file it with the Registrar. If a student does not follow this procedure, and quits attending class, he/she will have an "FX" recorded for all courses.

A student must withdraw in person; however, in special cases a student may request withdrawal by letter.

Students receiving financial aid who withdraw from the College are required to notify the Financial Aid Office so that it can determine if the student is eligible for his/her awards. The Financial Aid Office must also determine the amount of aid, if any, to be returned to the appropriate aid programs according to the Federal pro-rata refund calculation for first-time students at Villa Julie College. The Villa Julie College refund calculation and the Federal refund calculation will be used for other financial aid students. The student may be responsible for unpaid charges. If the student received financial aid funds for non-institutional purposes, he/she may also be required to repay all or a portion of those funds according to the federal repayment calculation. Federal regulations also require that students participate in a loan counseling session with the Financial Aid office if the student drops below six credits a semester or completely withdraws from the College. If the student fails to participate, the student's academic transcripts will not be released and future federal aid may be denied.

The College reserves the right to ask a student to withdraw for reasons of unsatisfactory academic work or conduct detrimental to the spirit and operation of the College.

COLLEGE POLICIES

The following policies and regulations have been established to promote harmony in Villa Julie's community and should not be considered all inclusive. Villa Julie is a special place where each person is genuinely and profoundly respected regardless of background. Students are expected to respect the rights of all members of the community and to accept personal responsibility for their actions. Conduct which violates this goal will be subject to the procedures described in the "Students Ethics Code and Redress of Student Grievances and Discipline Procedures" sections of this handbook.

Alcohol and Drug Policy

Alcohol Policy
Students may not possess alcoholic beverages or bring alcoholic beverages onto the College campus. Students may not consume alcoholic beverages on campus except that students 21 years old or older, may consume alcoholic beverages served at College functions approved in advance by the Dean of Students. Valid identification is required of all students and guests attending approved College functions.

Members of the College community are responsible for properly regulating their intake of alcohol at all campus functions and are admonished not to drive motor vehicles after consuming any alcoholic beverages. Students are expected to recognize their responsibility for compliance with civil law and to exercise good judgment in the use of alcoholic beverages. Abuse of alcoholic beverages, or disorderly conduct resulting from its use, may result in expulsion from the function, and/or disciplinary action by the College.

The College encourages students and employees who are experiencing problems with alcohol use and abuse to avail themselves of the College's confidential counseling. The College counselor located in the Academic Center is available to provide confidential counseling and support to members of the College community affected by drug or alcohol abuse. The College will make reasonable accommodation to the extent possible for any College community member experiencing these problems.

Drug Policy
Maryland law states that "it is unlawful for any person to administer or distribute to another, or to possess (except for physician-prescribed medication), any controlled dangerous substance or controlled paraphernalia" (Md. Ann. Code, Article 27, Sec. 287). In addition, "it is unlawful for any person

to manufacture, distribute, dispense or possess any equipment or device adopted for production of controlled dangerous substances" (Md. Ann. Code, Article 27, Sec. 286).

The College, recognizing the inherent dangers of drug abuse to both the individual and the community, affirms such abuse to be contrary to the College's goals. For purposes of this policy, "drugs" include, but are not limited to, the following: opium or cocaine and their derivatives (morphine, heroin, codeine); marijuana; synthetic narcotics (Demerol, methadone); and dangerous non-narcotic drugs (barbiturates, Benzedrine). Therefore, the College prohibits possession, use or distribution of illegal drugs on campus. Any such possession, use or distribution will subject the violator to disciplinary action by the College, which action will include suspension or expulsion and will be reported to the proper civil authorities.

In accordance with Federal Law 20 U.S.C., Section 1145(g), all students receive a document entitled "Program to Prevent the Use of Illicit Drugs and the Abuse of Alcohol." This document contains important information. Therefore, all students are encouraged to read it. Copies may be obtained from the Office of Campus Life.

To aid the student involved in drug abuse, counseling is available through the resources of the Villa Julie community as well as through referrals to social agencies and psychiatric services.

Sexual Assault Policy

Villa Julie College is committed to providing all employees with a work environment and all students with an educational environment which promotes personal security. Consistent with the College's commitment, the College has adopted the following policy addressing incidents of sexual assault and the procedures to follow if a sex offense does occur, applicable to all members of the College community. College policy prohibits sexual exploitation of any kind, including all forms of assault. Further, the College provides students, faculty and staff with programs and additional information designed to educate members about and promote the awareness of rape, acquaintance rape, and other forcible and non-forcible sex offenses, and to prevent sex offenses.

If a member of the College community is the victim of a sexual assault while on campus and wants to pursue a criminal prosecution, the victim should immediately report the crime to: (1) the Baltimore County Police Department

by dialing "911" and/or the Sex Offense Unit, 410.887.2223, or (2) campus Security, by dialing "0." Campus Security will contact the Baltimore County Police Department and provide transportation to a medical facility, should the victim request. Evidence of a sexual offense must be preserved to aid in possible identification of and prosecution of the assailant. The following procedures should be followed to preserve evidence:

1. Do not clean up the location where the crime was committed, e.g. car, room;
2. Do not bathe, shower, or douche prior to the medical examination. The doctor will give instruction on appropriate hygiene and medications to protect your health;
3. Do not discard any clothing worn during the assault. Put them in a paper or plastic bag; and
4. As soon as possible, write down everything you can remember about your attacker, e.g. height, weight, scars, marks, tattoos, age, clothing, jewelry, language, accent, vehicle description, and tag numbers.

The Greater Baltimore Medical Center (GBMC) is the closest facility equipped with a Maryland State Police Sexual Assault Evidence Collection Kit and is located at 6701 N. Charles Street, Baltimore, 410.828.2000.

Generally, the victim decides whether to pursue a criminal prosecution. However, the College encourages members of the College community who are the victims of, or who have knowledge of, a sexual assault occurring on campus, or occurring in the course of a College-sponsored activity, or perpetrated by a member of the College community to promptly report the incident to campus Security. The criminal law of the State of Maryland and the College's procedures are independent processes which are not substituted for each other. The College may pursue disciplinary action regardless of the state criminal justice process. The College will not intervene or protect a member of the campus community involved in a legal proceeding alleging sexual assault.

The College reserves the right to independently discipline any member of the student body, staff or faculty who has committed a sexual or other assault whether or not the victim is a member of the College community and whether or not criminal charges are pending. The College has a formal disciplinary procedure for sexual assault allegations, including rape, acquaintance rape, or other forcible or non-forcible sex offenses. The first step under the College's formal procedure is to file with the Assistant to the Dean a complaint and detail in writing the offense. Second, the accused is advised, in person and in writing, but in confidence, of the accusation

against him/her, including the name of the complainant. Concurrently, the College's President will be informed of the complaint and the situation. Third, the President will direct certain College staff to investigate the matter. After investigating the allegations, the staff will prepare a report of its findings with recommendations to the President of the appropriate College action. Fourth, the President reviews the report with all supporting information and implements the appropriate disciplinary measures.

The College's decision from an investigation will constitute its final determination regarding the alleged sex offense and will include the details of the College's sanction, if any, against the accused. Sanctions may include: warning; censure; suspension; dismissal; expulsion; or termination. Employees found to have engaged in sexual assault will be disciplined as appropriate on a case-by-case basis. A finding of sexual assault may be grounds for termination from employment. Both the accuser and the accused shall be informed of the outcome of any College disciplinary proceeding involving allegations of sexual assault. Both the accuser and the accused are entitled to the same opportunities to have others present during a disciplinary proceeding, but may not be represented by legal counsel.

The College counselor located in the Academic Center will provide confidential counseling and support to victims of sexual assault and can assist victims in evaluating the options available. Counseling is also available from the Baltimore County Sexual Assault and Domestic Violence Center's hotline, 24 hours a day, at 410.828.6390. The College will accommodate, to the extent possible, sexual assault victims' reasonable requests for changes in academic or living situations.

Sexual Harassment Policy

Villa Julie College is an Equal Opportunity Employer and is committed to providing all employees with a work environment and all students with an educational environment free of bias, discrimination, intimidation or harassment. In this regard, Villa Julie complies with all relevant Federal, State and local laws.

Consistent with Villa Julie's respect for the rights and dignity of each employee and student, sexual harassment is prohibited conduct and will be neither sanctioned nor tolerated.

The College encourages you to assert your rights to a harassment-free workplace and educational environment by resort to this policy.

All employees and students should therefore be aware of the following:

1. Title VII of the Civil Rights Act of 1964 prohibits sexual harassment in the workplace. Sexual harassment has been defined by federal regulation as "unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when ... (1) submission to such conduct is made either explicitly or implicitly, a term or condition of an individual's employment; ... (2) (when) submission to or rejections of such conduct ... is used as the basis for employment decisions affecting the individual; or ... (3) such conduct has the purposes or effect of unreasonably interfering with the individual's work performance or creating an intimidating, hostile, or offensive work environment;"
2. In addition to the prohibitions against sexual harassment in the work place, the College extends this prohibition to the classroom. Unwelcome sexual advances, requests for sexual favors and other verbal or physical conduct of a sexual nature (1) may not be a term or condition of a student's academic progress and (2) may not be a basis for academic decisions affecting the student. In addition, the College will not tolerate unwelcome verbal or physical conduct of a sexual nature which has the purpose or effect of unreasonably interfering with the student's academic performance or creates an intimidating, hostile, or offensive educational environment;
3. Sexual harassment may occur between persons of the same or different genders;
4. Sexual harassment may occur when one in an institutional position of power or authority over another uses any academic or supervisory reward (withholding of appropriate grades, promotion, evaluations, etc.) to subject such other person to verbal and/or physical conduct of a sexual nature;
5. Examples of persons in an institutional position of power or authority include, but are not limited to, teacher to student, supervisor to employee, administrator to staff or student;
6. This code expressly prohibits only unreciprocated and unwelcome relationships, but persons in position of power/authority/control over others should be aware of and sensitive to problems which may arise even from those relationships which are apparently mutual. These relationships often involve dynamics which extend far beyond simple mutual attraction. Thus, individuals are urged to examine such relationships before engaging in them, especially in terms of emotional health, self-esteem, and respect for the independence of all people who may be involved;

7. The College encourages victims to state that the behavior is unwanted;
8. The College encourages victims of harassment to come forward. Confidentiality will be maintained to the extent possible, consistent with adequate investigation and the imposition of appropriate remedial action;
9. The choice of an informal or formal procedure is solely the choice of the complainant:

Informal Procedure. When an incident arises in which a person feels that he or she has been the object of unwelcome sexual advances, the complaint should be filed in a timely fashion so that the College is afforded the best possible opportunity to investigate the facts and circumstances of the allegation. The person feeling harassed should make it clear to the offender that he/she does not want any further incidents to occur.

If the person does not feel that he/she can confront the offender or needs help in the process, the complaint may be brought to the attention of Dean John Hoeprich or Claire Moore, Dean of Students, for assistance.

The accused would be told in confidence of the accusation and given the person's name as the complainant. The accused is told of the situation and assured it will go no further as long as there are no repeated incidents. The College will take reasonable steps to protect students or employees from reprisal by the accused who may hold power over them as a faculty member or supervisor.

Formal Procedure. A formal procedure is used when the informal procedure has been exhausted or when the severity of the offense warrants a more formal approach/action, or where the complainant specifically requests the formal procedure be engaged.

- The offense is put into writing by the complainant.
- The accused is informed in person and in writing of the investigation of the offense.
- All paperwork will be given to the President and an investigation will be conducted.
- A report with recommendations will be made to the President who will review the incident and take appropriate action.

10. Appropriate disciplinary measures will be taken for anyone found to have deliberately filed a false accusation of sexual harassment.

11. Appropriate sanctions will be taken for a supervisor who knowingly fails to investigate an alleged violation.
12. Employees found to have engaged in sexual harassment will be disciplined as appropriate on a case-by-case basis, up to and including termination.
13. Further proceedings will be handled by the appropriate bodies: Faculty - in accordance with dismissal procedures, Students - Hearing Board.

Computer Access and Security Policy

1. Access
   Only the College's full-time or part-time faculty, staff and students will be permitted to have access to the College's computer systems and for only such time as such status is maintained as employees or students.

Before being assigned a password and login, students are required to read and sign a copy of the policy written below. This procedure is done at Freshman Orientation. Students may also obtain a copy of the policy and a login from Information Services (Computer Services), room AC 310.

2. Responsibilities for Information Technology Security
   As a user of the College's computer systems, the student is personally responsible for his actions on the system or those actions done under his password on the system. Therefore, the student must protect that information as he would any valuable asset. It is the responsibility of all members of the College community to protect the College's information assets.

As a user of the College's information resources, the student is responsible for adhering to all state and federal laws, and College policies, standards, and procedures for maintaining and securing data, including the following:

a. Maintaining data confidentiality;
b. Maintaining the confidentiality of data security controls and passwords. The student is aware that passwords verify his identification and are the cornerstone to the system's security. THE STUDENT WILL NOT DISCLOSE HIS PASSWORD TO ANYONE either by telling others or allowing others to oversee him enter it into the College's system. THE STUDENT WILL NOT ALLOW ANYONE TO USE HIS LOGIN AND PASSWORD. THE STUDENT IS RESPONSIBLE FOR ALL ACTIONS TAKEN USING HIS LOGIN;

c. Reporting to Information Services any circumstances that seem unusual or irregular about the system. The student will report such things as unexplainable system activity that he did not perform, questionable data, or unexpected or incorrect processing results;
d. Executing a confidentiality or ownership agreement, if requested by the College;
e. Accessing and using only that information which is authorized by Information Services;
f. Insuring that the student's use of the computing facility does not interfere with other users or with proper functioning of the system;
g. Protecting against viruses by allowing the computer to run a virus check at least once a day and not using unauthorized software;
h. Protecting the equipment. Keeping it away from food and drink;
i. Using only those computers for which the student is authorized;
j. Not encroaching on or disturbing another's use of the computer equipment via excessive message sending or printing;
k. Not playing any unauthorized games on the College's computers;
l. Not attempting to access restricted portions of operating systems on software;
m. Not attempting to discover or exploit security weaknesses of any computer, telephone or network system. Not possessing tools (software or hardware) for such purposes while on campus;
n. Displaying the student's current ID card on the top of his computer terminal at all times while working on the College's computers and while using the information systems.

3. Illegal Use or Computer Abuse
Listed below are some examples of activities which are harmful to other users and amount to computer abuse or illegal use of the College's information resources. The student agrees that such behaviors are not permitted and acknowledges that the College will not tolerate them:

a. Unauthorized use of a password, including using or changing another person's password without authorization;
b. Unauthorized use of College information for financial gain including using College passwords to perform computing services for commercial or other organizations outside of the College. Such prohibited services include development of programs for commercial users, data processing, computations, preparation of advertising material, etc.

c. Acts that compromise information resources security. The disclosure of secret or confidential information obtained from the College's system, including sharing of passwords and leaving a terminal unattended while logged on, allowing unauthorized transactions, unauthorized accessing of or reading files, data information programs or display screens;

d. Unauthorized use of College information for malicious purposes. The intentional unauthorized access, use, destruction, alteration, dismantling, disfiguring, or disabling of any College information resource, including the intentional introduction of a computer virus. Possessing in a file, or use of programs capable of fraudulently simulating system responses; modification of or possession of systems control information, especially that which reflects program state, status or accounting. Attempting to modify or crash the system, including intentional corruption or misuse of information resources. Frivolous, disturbing, or otherwise inconsiderate conduct in the terminal areas, as well as wasteful use of the facilities for making signs, posters, calendars, etc. on the printers;

e. Computer assisted plagiarism, including copying another student's assignment from a computer file and submitting it as the user's own work product, using another's work as a model for the user's own without acknowledgment, knowingly permitting another to copy or use files and submit the work (or slightly modified work) as the user's own work.

f. Use of information resources for illegal, inappropriate, obscene purposes, or in support of such actions, including the use of terminals for sending nuisance or obscene messages. Sending fraudulent computer mail, breaking in to another user's electronic mailbox, or reading another's electronic mail without prior permission. Sending any fraudulent electronic transmission including requests for confidential information or purchase requisitions;

g. Violation of any software license agreement or copyright, including copying or redistributing copyrighted software or data reports from the local or network drives without authorization. Violation of property rights of copyright holders who are in possession of computer generated data, reports or software. Unauthorized copying, storage, or use of any software on any College computer in violation of the software licensing agreement. Unauthorized personal use of any software which has been purchased by, or developed for the College, and considered intellectual property of the College, regardless of the form or format of the software (or copies), and including source code;

h. Modification of or attempting to modify or remove computer equipment, software, or peripherals without authorization;
i. Installing or loading software to the local or network drives on the College's personal computers; and
j. Vandalizing computer facilities, equipment, software or files.

4. *Penalties*

The Director of Information Services, Campus Security, the President and/or Dean of the College, may take any of the actions listed below against users suspected of or who do not comply with or violate this policy pursuant to all rules and regulations of the College, the State of Maryland and/or Federal Law.

When investigating suspected misuse of the College's information resources, the College should ordinarily ask the user's permission before inspecting the user's files, diskettes, tapes and/or electronic mail. If, however, it is in the best judgment of the System Administrator that: (1) a user(s) is suspected of malicious intent to damage the computer or system, (2) the action of a user(s) threatens other users or the system such that there is imminent danger, (3) the user is not available in a timely fashion, or (4) where notifying the user would impede a sensitive investigation of computer abuse, the System Administrator may take such actions without obtaining permission of the user(s). In that event, the System Administrator should as soon as possible notify the President and/or Dean of the action, the reasons for taking such action and the identity of the user(s) involved.

Similarly, during the course of an investigation, the System Administrator may find it necessary to restrict private documents. In such event, the System Administrator should as soon as possible notify the President and/or Dean of the action, the reasons for taking such action as well as the identity of the user(s) involved. Should a user's documents be restricted during an investigation, the user may appeal the suspension of access or restriction and petition the President for reinstatement of computer privileges through the College's Hearing Board as set forth in this Handbook.

The sanctions for abuse or violations of any state and/or federal law, these policies or any of the College's policies regarding information systems and/or resources include:

a. Termination of a program or online session. An irresponsible user at a terminal may be logged off. Similarly, a harmful job running on any system may be canceled;
b. Revocation or invalidation of a user's password, login, or access to the computer resources;
c. Violations involving students may be referred directly to the appropriate academic or administrative authorities where penalties may also include restitution, warning, censure, suspension, termination, and expulsion, pursuant to the provisions set forth in this Handbook regarding the College's Hearing Board procedures;
d. Violations by faculty and staff may prompt nonreappointment, discharge, and/or dismissal from employment; and/or
e. Serious incidents may also be referred directly to outside authorities. Unauthorized use of computer facilities may constitute a civil and/or criminal offense, including copyright violations and violations of the Federal Computer Fraud Abuse Act of 1986, which includes sanctions of monetary fines and/or imprisonment.

5. Disclaimer and Waiver of Liability

The College makes every effort to ensure the integrity of its computer system. All computer systems available to users offer some form of dataset protection which can be modified by an authorized user as needed. However, none of the systems offer absolute security. Thus, the student is aware that he should never place sensitive information on publicly accessible online volumes (disks). The College cannot, under any circumstance, be held liable for the consequences of such actions.

The student acknowledges that the College cannot be held liable for any losses, including lost revenues, or for any claims or demands against the user by any other party and the student waives such claims. In no event can the College be held liable for consequential damages even if the College has been advised of the possibility of such damages. The College cannot be held responsible for any damages resulting from the loss of confidentiality, output or data, time delay, system performance, software performance, incorrect advice from a consultant, or any other damages arising from the use of College's computer facilities. In the event that the actions or failure to act of any member of the College community results in any claim, or legal action against the College, the College reserves the right to seek compensation or take other appropriate action against the individual or to assist the third party in taking such action.

6. Personal Computers

The student is aware that if he chooses to use a personal computer rather than the College's computer system, he is nonetheless responsible for adhering to all policy, standards, and procedures for the use of information resources, including implementing security practices necessary to protect the computer and the data stored on the computer.

Athletic Facility Use Policies

The Athletic Facilities are here for the health, exercise, fitness and enjoyment of Villa Julie College students, faculty and staff. Please use them with care and help keep them clean and safe for the well-being of all.

Please read these policies carefully, adhere to them, and enjoy the facilities.

General Policies

It is expected that individuals using the college facilities will conduct themselves in a respectful and responsible manner. This means complying with all departmental policies and cooperateing with the college staff.

The Gymnasium and Fitness Center will post regular hours. These facilities will be open for student/faculty/staff use. At other times the use of these facilities will be reserved for athletic team use or they will be locked.

All persons entering and using the Villa Julie College Gymnasium and Fitness Center must have a current Villa Julie identification card (ID) and must show that ID to the staff on duty at each location of use (i.e., Gymnasium, Equipment Room, Fitness Center, etc.). A person will man the equipment storage room whenever the Gymnasium is open.

In an effort to maintain a safe and secure environment, all areas of the Student Union will be subject to periodic ID checks. Therefore, all users are encouraged to keep their ID card with them at all times (when playing a sport, you may leave your card with the Gymnasium supervisor monitoring the area).

Those who wish to obtain a locker should see Carol Zimmerman, Associate Athletic Director in SU 126. Absolutely no personal locks are allowed.

Any problems or concerns in the athletic area should be reported to the Athletic Director as soon as possible.

Entry into the Hydrotherapy Room is prohibited during unscheduled times, unless accompanied by a staff member or Coach.

No cleats are to be worn in the Student Union or any other building on campus.

Only white soled or "court" shoes, not jogging or running shoes, are to be worn on the hardwood surfaces in the Gymnasium.

Proper athletic attire is required for use of the facilities (i.e., no street shoes, no street clothes).

If you are interested in playing basketball in the gym and you find that the baskets have been raised, please see the Athletic Director or the Facilities Manager to have the gym baskets lowered.

The Gymnasium and the Fitness Center can be reserved for special event use. Reservations can be made with the Business Office at 410.486.7000. Confirmation of use will be cleared for the Gymnasium and Fitness Center through the Director of Athletics.

Any individual having questions or concerns regarding policies, events, employee performance or incidents taking place within the Athletic Area is asked to contact one of the three individuals during business hours:

Brett C. Adams, Director of Athletics	410.602.7250
Carol Zimmerman, Associate Director of Athletics	410.602.7446
Claire E. Moore, Dean of Students	410.602.7296

Hours of Operation - Gymnasium
Please refer to the Gymnasium Master Calendar on the bulletin board near the entrance to the gym.

Priority use of Gymnasium
First priority is given to the scheduled Physical Education classes. Classes are scheduled semi-annually through the Registrar's Office.

Second priority is given to scheduled Intramural use. The Associate Athletic Director produces this schedule at the beginning of each semester.

Third priority is given to Intercollegiate Varsity Athletics. Athletic practice and varsity contests with NCAA competing schools are posted in the lobby.

Free Play hours will be posted outside of each of the athletic areas.

The College's interest is in providing accessible facilities as much as reasonably possible. When available, the College will divide the Gymnasium into "Gym A" and "Gym B" to accommodate this interest.

Fitness Center Policies and Hours of Operation

The Fitness Center is open to the Villa Julie College students, faculty, staff from 9:00 a.m. - 10:00 p.m. Monday through Thursday, and from 9:00 a.m. - 5:00 p.m. Fridays. Saturday hours for the Fitness Center can be reserved for student-athletes and that schedule will be posted weekly. Student-athletes may also use the Fitness Center when accompanied by a coach or through appointment with the athletic trainer. (To be considered a student-athlete, the individual must be on a Varsity team during the current semester.)

No one under 18 years is allowed in the Fitness Center. If a student is under 18, a parental consent form, obtained from the Fitness Center staff, must be completed and returned.

Shirts and shoes are required for Fitness Center use. Proper athletic attire is required, i.e. no street shoes or street clothes. Warm ups, gym shorts and gym shirts are acceptable.

No food or drink is allowed in the Fitness Center.

No radios are allowed in the Fitness Center. However, personal walkman or discman are allowed.

No profanity is allowed.

Sign up for equipment use.

Replace all weights after use.

No dropping weights on the floor.

For courtesy, please limit use of aerobic equipment (i.e. stairmaster, lifecycle, etc. to 30 minutes while others are waiting).

Leave all equipment clean and dry for the next person. The Fitness Center will provide hand towels for the general hygiene of the Center. However, individuals should bring their towels for showering.

Guest Policy
A member of Villa Julie College is allowed to bring one guest into the facility with them under the following conditions:

The Villa Julie College member must show a current VJC ID.

The guest must pay a $5.00 fee for one day usage. Upon payment of the fee, the guest will receive a guest receipt that must be kept with them at all times. This will allow the staff to identify the guest when doing ID checks in the facility.

The guest pass is valid for one day's use only. The same guest may not use the facility more than twice a year.

Any guest giving a receipt pass to anyone else is in violation of the guest policy. This will result in the guest(s) being asked to leave the building.

Signs explaining this policy are posted at all entrances to the athletic facilities.

Alumni Use Policy
Villa Julie alumni who are interested in using the athletic facility should contact the Alumni Director.

Hydrotherapy Room Use
The use of this facility is for student athletes who have been referred by their coach.

Policy Violation Procedures
Anyone found in the Athletic Facilities without a current Villa Julie College ID or valid guest receipt pass will be asked to identify themselves and leave the premises. Likewise, any persons who are not student-athletes for the current academic year who are found in the Fitness Center at times other than posted hours will be asked to leave. If an individual is found in the building again, on the same day or any subsequent day, without a current VJC ID or guest receipt, that person will be reported to the Campus Life office.

Any disruptive or unsafe behavior will not be tolerated. Individuals displaying disruptive behavior will be asked to leave the premises immediately. The matter will be referred to the Director of Athletics who may decide to file a complaint with Security or the Dean of Students.

Repeated violations of the athletic policies will result in a long-term suspension of athletic area privileges and referral to the Dean of Students.

Disrespect and Hate Policy

Villa Julie is a very special place because it is a place where each person, whatever his/her background, is genuinely and profoundly respected. Instances of disrespect and hate for another person are unworthy of a Villa Julie student in an institution of higher learning and will not be tolerated. Therefore, anyone who threatens another with harm will be subject to immediate expulsion.

Infectious Disease Policy

Students with contagious diseases or illnesses should obtain a release form from their personal physician before returning to class. The form should be turned in to the Health Suite.

Smoke-Free Environment Policy

Under Maryland law, Villa Julie College is a smoke-free environment.

Tuition Payment and Fees Policy

Payment in full of the tuition and fees for each semester is required by the date published in the Registrar's schedule for that semester. Students will not be admitted to classes until all financial requirements are met. Late fees apply as stated in the College catalog.

Tuition Refund Policy
Tuition is refundable according to the following schedule:

Fall/Spring Sessions

100% Prior to the first day of the semester.

80% First day of the semester through 7th calendar day.

60% Eighth calendar day through the 14th calendar day.

40% Fifteenth calendar day through 21st calendar day.

0% After 21st calendar day.

January/Summer Sessions

100% Prior to the first day of the semester.

50% First day of the semester through 7th calendar day.

0% After the 7th calendar day.

Refunds are computed as of the date on which a written request for withdrawl is received in the Registrar's Office. Telephone withdrawals are not accepted.

Tuition and required fees are subject to the above policy. Miscellaneous charges and fees associated with individual courses; i.e., art course fees, are not subject to the refund policy.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT

Your Rights as a Consumer in Higher Education and How They are Protected at Villa Julie.

Introduction

In compliance with the "Family Educational Rights and Privacy Act of 1974" as amended (P.L. 93-568), Villa Julie College has formulated the following policy for release of student information, student access to records and right of students to challenge accuracy of the record.

External Lawful Access to Student Records

Student educational records are not released to anyone without the written consent of the student except as otherwise permitted by the statute. Exceptions include release of information to officials of other institutions in which students seek to enroll; persons or organizations providing student financial aid; accrediting agencies carrying out their accrediting function; persons in compliance with a judicial order; authorized officials who audit, evaluate or enforce Federal and State supported programs; persons in an emergency in order to protect the health or safety of students or that of other persons; parents of a student who have established the student's status as a dependent according to the Internal Revenue Code of 1954, Section 152.

Internal Lawful Access to Student Records

Access to student files within the College is restricted to the student and to official personnel of the College who act in the student's educational interest. Official personnel include persons from the office of President of the College, Dean, Admissions, Business, Campus Life, Career Services and Co-op, Financial Aid, Registrar, and academic personnel within the limitations of their need to know. Students must present their ID when requesting their file.

Directory Information

Consent of the student is not required for release of "Directory Information"; i.e. the student's name, address, date and place of birth, telephone number (if listed), dates of attendance, program pursued, degrees and awards received, and the most recent previous educational agency or institution attended by the student. Students may withhold Directory Information by notifying the Registrar in writing, on the form provided for this purpose, within the first two weeks of the academic year. Requests for nondisclosure will be honored by the College for one academic year. They must be filed annually.

Limitations on Students' Right to Inspect Educational Records

Villa Julie College maintains student records in the offices named on the appended list. Excluded from the definition of educational records are the personal notes of teachers and administrators. Students also are not permitted access to their parents' financial statements.

Procedure for Inspection of Records

Records are available to the individual student upon request. Students have the right to inspect and review information in their official College records. The Registrar coordinates the inspection and review procedures for student education records, which include academic, personal, placement, admissions and financial files. Students wishing to review their education records must give this request to the Registrar in writing listing the item or items of interest. The Registrar must grant access within a reasonable period of time, but in no case later than forty-five days after the request has been made. Students may have copies made of the records with certain exceptions (i.e., a copy of the academic record for which a financial "hold" exists, or a transcript of an original source document which exists elsewhere). These copies are made at the student's expense.

Right to Challenge Records

Students who believe that information contained in their education records is inaccurate or misleading or violates their privacy or other rights, may discuss their problems informally with the Registrar. If the decisions are in agreement with the student's request, the records will be amended accordingly. If not, the student will be notified within a reasonable period of time (i.e., three weeks) that the records will not be amended; the student will also at that time be informed by the Registrar of his right to a formal hearing. Student requests for a formal hearing must be made in writing to the Dean of the College, who, within a reasonable period of time after receiving such requests (i.e., three weeks), will inform the student of the date, place and time of the hearing. The student may present evidence relevant to the issues raised and may be assisted or represented at the hearing by one or more persons of his choice, including an attorney, at the student's expense. The hearing panel which will adjudicate such challenges will be composed of the Dean of the College, the Dean of Students and the Department Chairman of the student's program.

Decisions of the Hearing Panel

The decision of the hearing panel will be final. The decision will be based solely on the evidence presented at the hearing, and will consist of written statements summarizing the evidence and stating the reason for the decision, and will be delivered to all parties concerned. If, as a result of the hearing, the College decides that the information is inaccurate, misleading or otherwise in violation of the privacy or other rights of the student, it will amend the education records of the student accordingly and so inform him in writing. If, as a result of the hearing, the College decides that the information is not inaccurate, misleading, or otherwise in violation of the privacy or other rights of the student, it will inform the student of the right to place in his education record a statement commenting upon the information in the education record and/or setting forth any reasons for disagreeing with the decision of the College. This statement will be placed in the education records and released whenever the records in question are disclosed.

Rights to File Complaints with the Department of Education

A student who believes that his rights have been violated, may file a complaint with the Family Educational Rights and Privacy Act Office (FERPA), Department of Education, 330 Independence Avenue, S.W., Washington, DC 20201, concerning the alleged failure of the College to comply with the Act.

GENERAL REGULATIONS

Bulletin Boards
There are "Official Bulletin Boards," located in each classroom building across campus.

Only "Official Notices" should be placed on these bulletin boards. The criteria used in determining official notices are: the information issues from an official of the College; it is of College-wide importance; its effect is long-range (one year, or permanent); non-knowledge of the information carries a sanction or long-range effect.

Other bulletin boards are located in strategic areas throughout the College. Some bulletin boards are designated for Student Government, clubs, career services, College activities, outside events, area cultural activities, foreign study, college transfer information.

No posters or notices are allowed without the permission of the Dean of Students. Posters and notices must be removed within one week after the event.

Care and Use of Buildings
During regular sessions College buildings will be open from 7:30 a.m. to 10:30 p.m. Monday through Thursday and 7:30 a.m. to 5:00 p.m. on Friday and Saturday. Summer and intersession scheduling may vary. For exact information call the College, 410.486.7000.

Students and their guests are expected to show care in their treatment of Villa Julie College buildings and grounds. Any need for repairs should be reported immediately to the Business Office.

For special use of the buildings, such as fund raising activities, clearance must be received through the Business Office. **Posters, etc. may be placed on bulletin boards only, not on walls or doors - Any item hung on walls will subject the responsible person or organization (including Faculty and Staff) to a $50.00 fine.**

Instructional and other physical facilities at the College are accessible to handicapped students by ramps and/or elevators. In addition, special lavatory facilities are located throughout the campus. Further information concerning the College's facilities as they relate to handicapped students may be obtained by contacting the Director of Admissions.

Dogs on Campus

Although the College allows campus members to bring their pet dogs on campus for no more than three hours, the dogs must be controlled and leashed at all times. Dogs cannot create a nuisance. Dogs are not permitted in class. Neither can they be left in a vehicle on campus for over two hours and must be provided sufficient air in the vehicle. Dogs are not allowed to be left on campus in vehicles during the summer months or when temperatures reach 75° or higher.

Emergency Reporting Procedures

Medical Emergencies. Go to the nearest College telephone, to the emergency phones in the Academic Center and Student Union, or to the emergency phones in the parking lots and dial "0" to be connected with the main college switchboard and they will contact campus security. Report that this is a medical emergency.

Non-Medical Emergencies. Report thefts or any unusual, disturbing incidents to the main switchboard by dialing "0" immediately or by using the emergency phones.

Illness or Minor Injury. Contact the Office of Campus Life, ext. 2296, or the Evening Secretary, ext. 2220. Procedures to follow will be determined according to the assistance needed.

First Aid Kits. First aid kits are located in the following areas:

- Campus Life Office, Student Union
- Main Lobby Receptionist, across from Business Office
- Physical Education, Student Union
- Art Wing
- Science Lab, lower level, Knott Hall
- Admissions Secretary
- Trainer/Nurse's Office

Please see a staff member for assistance with first aid kits.

The Faculty/Student Exchange

The Faculty/Student Exchange was designed to provide a relaxing, comfortable place for faculty and students to study or socialize and to enjoy refreshments and light lunches. Special events are held here throughout the year, some with guest entertainers. The Exchange building houses a Reading Room, Cafe, Meeting Room, the Office of Career Services and Co-op, faculty offices and has a patio for outdoor eating or studying.

The use of the Exchange is governed by a House Committee whose members are faculty, students and administrators. Claire Moore is Chair.

Hours
The Exchange building is open: during Daylight Savings Time, Monday - Thursday, 8:00 a.m. - 7:00 p.m., and Friday 8:00 a.m. - 5:00 p.m.; during Eastern Standard Time, Monday - Thursday, 8:00 a.m. - 5:30 p.m., and Friday 8:00 a.m. - 5:00 p.m. Food service operates from 8:30 a.m. to 2:30 p.m. during the fall and spring semesters.

Reservations
The Reading Room and/or Cafe may be reserved specifically for one student group only after normal operating hours. At all other times, it is open for all students and faculty.

The Meeting Room may be used for Department meetings, student organization meetings and small, informal study groups. This room has folding doors that will close this area off from the Reading Room.

To make reservations, contact the Business Office at least two weeks prior to the event and complete a Special Events form requesting "set up" and "break down." Under no circumstances should furniture be moved by faculty or students.

Entertainment
If a faculty member or student wishes to perform in the cafe or to suggest a performer, a request should be submitted to the House Committee.

A sound system has been installed and is operated by the counter personnel. The House Committee will select a list of CD's to be purchased and played in the cafe. Requests may be made to committee members.

Food and Beverages
Because of housekeeping standards, eating and drinking are allowed only in designated areas. **There is no eating or drinking in the library, classrooms, Lecture Halls, or Theatre.**

Guests and Visitors on Campus
Guests of students may be entertained in the Student Union when opened. They may also attend classes with the permission of the instructor. The College campus is private property, and visitors may be asked to leave at the discretion of the College.

Vehicle Registration and Parking Regulations

These regulations apply to all students, faculty, administration and staff members of Villa Julie College.

1. All vehicles must be registered by September 15 of each year with each car driven on campus displaying a numbered parking decal. These decals are to be on the left side of the rear window of the vehicle. Decals may be obtained from the Business Office or the Evening Secretary. The vehicle registration card and a completed registration application are required for the issuance of a V.J.C. parking decal.
2. PARKING IS PERMITTED ONLY ON PAVED PARKING LOTS BETWEEN TWO WHITE PAINTED LINES OR IN DESIGNATED TEMPORARY SPACES DURING CONSTRUCTION.
3. Parking is not permitted in any other area unless specifically authorized by the Business Office or Security. Persons having special circumstances should meet with a member of the security staff prior to parking in an unauthorized area.
4. Parking in front of the College is reserved for VISITORS ONLY with a 2 hour limit. There are two 15 minute spaces provided for students, faculty and staff needing to drop off or pick up a package. These parking regulations will be strictly enforced. Also in front of the College there are designated handicapped parking spaces which require proper identification (e.g. license plate, etc.) for use. Vehicles that display a handicapped permit are not authorized to park in a handicapped space unless the person who was issued the permit is operating, or is a passenger in, the vehicle.
5. Students are not authorized to park their vehicles in the faculty lots, the reserved spaces behind Knott Hall, the Admissions Visitors area, Cottage Lane, the Exchange, or the Mueller House parking area.

Handicapped Parking

Maryland Law and Villa Julie College policy restricts the use of handicapped spaces to handicapped individuals only. Vehicles that display a handicapped permit are not authorized to park in a handicapped space unless the person who was issued the permit is operating, or is a passenger in, the vehicle.

Handicapped persons are requested to register their vehicles with security so that arrangements can be made to assure that an appropriate parking space is available for them while attending classes at Villa Julie College.

Temporary handicapped permits are available to members of the campus community for short- and long-term convalescence.

Parking Fines

1. Violators of the parking regulations will be fined $25.00 for each offense. The fine for handicapped violations is $98.00. The following violations will be conscientiously enforced: Handicapped, Reserved Parking, Fire Lane/MTA Route, unregistered vehicles, parking on grass, and reckless driving through the campus.
2. Fines must be sent to the Business Office within 30 days from the date the ticket was issued.
3. If the fine is not paid within 30 days, it will be doubled and transcripts will be withheld until payment is received. After the 30 day grace period, a notice will be sent to the violator's home.
4. If the fine is not paid by graduation, diplomas will be withheld until payment is received.
5. Violators requiring Maryland State Motor Vehicle record check will have a surcharge of $20.00 added to the fine.
6. All unregistered vehicles on campus after September 15 will be subject to either being towed or immobilized by a boot. An additional fine of $25.00 will be assessed when the car is towed or booted.
7. Parking citations will not be voided.

All rules and regulations will be enforced. Please help protect yourself and others by fully cooperating with the parking regulations and by observing the 15 mph speed limit on campus.

Appeals

Members of the College community wishing to appeal a citation should submit a copy of the citation and three (3) copies of a typewritten appeal to the Security Director describing in detail the reasons that the violator feels the fine should be forgiven. The appeal must be filed within 30 days from the date of the parking violation notice.

The Parking Fine Appeals Board will have three members consisting of a designated member of: 1) the S.G.A., 2) faculty/staff, and 3) security staff. The board will convene about once a month to consider written appeals. Decisions will be by majority vote of the Board. All decisions are final. Payment of fines are due within 30 days of the date of the memo from the Parking Fine Appeals Board. If the fine is not paid within 30 days, the fine will double and transcripts and diplomas will be withheld until payment is made.

REDRESS OF STUDENT GRIEVANCES AND DISCIPLINARY PROCEDURES

Preamble

Villa Julie College sees itself not primarily as an institution, but an educational fellowship. Undertaking to educate more than the intellect, Villa Julie attempts also to provide a value-oriented education by emphasizing individuality, independence, openness, and responsibility. Foremost is its belief in the dignity of the individual: that each person has a unique potential for truth and goodness.

To facilitate the development of this potential, the College offers a sound educational program and promulgates policies which encourage the growth and maintenance of both individual and communal responsibility.

Redress of Student Grievances

The following procedures have been established to assure the resolution of student grievances in a reasoned and democratic fashion.

A. Informal Resolution

1. Academic Rights Violations

   A student who feels that his/her academic rights have been violated by another student, faculty member, administrator, or other member of the College community, should first attempt to informally resolve the alleged violation with the following persons:

   a. Person(s) directly involved;
   b. Instructor or staff member of his/her choice;
   c. Department chair; or
   d. Academic Vice-President and Dean of the College.

2. Non-Academic Rights Violations

   A person in the College community who believes that his/her non-academic rights have been violated by another student, faculty member, administrator, or other member of the College community, should first attempt to informally resolve the alleged violation with the following persons:

   a. Person(s) directly involved;
   b. College Counselor;
   c. Dean of Students; or
   d. If a faculty member or administrative member is involved, their immediate supervisor.

In the event that a resolution has not been reached, an investigation will be conducted to determine if the allegation has merit and/or if it can be disposed of administratively by mutual consent of the parties involved on a basis acceptable to the President or the Academic Vice President and Dean of the College. If so, such disposition shall be final and there shall be no subsequent proceedings.

B. Formal Resolution

In the event that informal efforts to resolve the matter fail, the grievance may be presented in writing to the College Hearing Board no sooner than five days after an informal resolution has been attempted. The procedure to be followed by the student is:

1. Initiate a hearing by requesting it in writing;
2. Select an advisor, if desired. The advisor must be a member of the College community.
3. Present the necessary evidence and/or witnesses in support of grievance to Hearing Board;
4. Be present to hear and question adverse witnesses during the hearing.

Disciplinary Proceedings

Villa Julie College affirms that "in developing a responsible student conduct, disciplinary proceedings play a role substantially secondary to example, counseling, guidance and admonition."[1] In the event, however, of a violation of established policies and regulations by a student member, charges may be brought against the student violator by any member of the College community. Charges of academic violations are to be filed with the Academic Vice President and Dean of the College. Charges of non-academic violations are to be filed with the Dean of Students. The student shall be informed in writing of the charge filed against him/her. The student may elect to meet informally with the Vice President of the College or the Dean of Students for resolution of the charges or may request that the charges be considered by the College Hearing Board.

The College Hearing Board

The College Hearing Board receives its authority from the President of the College. It shall consist of ten members, five of whom shall be designated by the President to sit on the Board at any one time. The members, representing administration, faculty and students, shall be nominated by the Student-Faculty-Administration Board and shall be appointed by the President of the College. A chairperson shall be selected by the President. The members shall serve for a year's term.

[1] AAUP "Joint Statement on Rights and Freedoms of Students," 1967.

A. Jurisdiction

1. To hear academic and non-academic grievance appeals.
2. To hear appeals of charges of student violations of established policies and regulations.
3. To impose sanctions of warning, censure, and restitution as the situation demands.
4. To recommend to the President that suspension, dismissal, or expulsion be imposed.

B. Procedures

The College Hearing Board shall adhere to the following procedures in hearing appeals of student grievances or appeals of charges of student violations of established policies and procedures:

1. Promptly upon receipt by the Board Chairperson of a written request for a hearing, notice shall be given the appealer of the date and time of the hearing and the allegations on which the matter is based or the specifics of what action is requested;
2. The burden of proof shall rest upon the individual(s) requesting the hearing;
3. The accused has the right to be assisted by an advisor from the College community whose role is to meet and discuss the case prior to the hearing. The advisor has no standing in the proceedings, however, and may provide advice to respective students in a quiet manner that is not disruptive to the proceedings. Advisors are not permitted to speak or participate directly in the hearing;
4. The complainant and the accused and the Board shall have the privilege of presenting witnesses, subject to the right of questioning by the Board. Pertinent records, exhibits, and written statements may be accepted as evidence for consideration by the Board at the discretion of the Chairperson;
5. A complete record of the hearing shall be kept. Tape recordings shall be considered adequate;
6. The information presented at the hearing will be regarded as confidential;
7. The decision of the Hearing Board is subject to approval by the President. The student has the right of appeal to the President;
8. If the accused student or student requesting the appeal does not attend the hearing, he forfeits his right to a hearing or appeal;
9. Grievance/disciplinary proceedings can be dropped at any time by mutual agreement; but cannot be requested again for the same grievance within thirty (30) days and without significantly new evidence.

Sanctions

Villa Julie recognizes that the goals of discipline are rehabilitation and deterrence. In this spirit, the following sanctions, although not inclusive, may be recommended or imposed as appropriate, by either the President, Vice President or Dean of Students, or the College Hearing Board.

1. Restitution. The student shall be liable for reimbursement for any damage of or misappropriation of either individual and/or community property. Forms for reimbursement may include appropriate service to repair or monetary compensation. Failure to make restitution within a reasonable time period can lead to further disciplinary action;
2. Warning. The student offender will receive verbal notice that he/she has violated College regulations and/or policies and continuation or repetition of the violation may lead to more severe disciplinary action;
3. Censure. Including written notice of violation of College policies. This notice will be kept in the student's file for a limited duration deemed appropriate by the President;
4. Suspension. The student shall be excluded from classes and/or extracurricular activities and shall lose all rights and privileges of a student in good standing. The term of suspension and the conditions for readmission shall be stated in the notice of suspension. A record of this action may be kept in the student's file for a limited duration as deemed appropriate by the President;
5. Dismissal. The student shall be terminated for an indefinite period of time and may be readmitted to the College only with the specific approval of the President, Vice President, and Dean of Students. A record of this action may be kept in the student's file for a limited duration as deemed appropriate by the President;
6. Expulsion. The student shall be terminated permanently without the possibility of readmission to the College. A record of this action may be kept in the student's file for a limited duration as deemed appropriate by the President.

All rules and regulations set forth in this handbook have been designed to provide for the fullest intellectual and personal development of the student and to make for a pleasant and orderly way of life on the Villa Julie campus, with full protection for the rights of all.

An earnest attempt has been made to answer here the principal questions which the student may have and to supply information needed to understand the services and functions of the College.

If any questions remain unanswered; however, the student should feel free to contact any member of the College staff or faculty, all of whom will be glad to convey the information or to direct the student to the proper source.

Have a happy year!

Notice of Nondiscriminatory Policy

Villa Julie College admits students of any race, color, sex, religion, national or ethnic origin to all the right, privileges, programs, benefits, and activities generally accorded or made available to students at the College. It does not discriminate on the basis of race, color, sex, religion, national or ethnic origin in administration of its educational policies, scholarship and loan programs, and other College-administered programs. The college is committed to providing all students with an educational environment free of bias, discrimination, intimidation or harassment. In this regard, Villa Julie College complies with all relevant federal, state and local laws. The college also complies with all applicable laws and federal regulations regarding prohibition of discrimination and accessibility on the basis of age, condition of handicap, veteran status, or otherwise. Students needing special accommodation to ensure barrier free access should contact the Section 504 Counselor.
